remembrance of the undying Bison spirit, the abundant knowledge gained, and the many happy friendships.

Before we begin . . .

A key can open many doors. Realizing this fact, the 1960 SUNDIAL staff has endeavored to create this book for you, the students of Sunset High School, to use as a key to open whatever door you may choose.

You may select the door to the Past for which to use your key. Memories are fleeting clouds, but with concrete evidence, the clouds will lift their misty veils, and you will once more relive all the happy moments experienced at Sunset.

The sincere wish of this staff is that you use your key to open the door to the Future, using the Spirit, Knowledge, and Friendship of Sunset as guideposts along the pathway of Life.

ADVERTISEMENTS

Mrs. Presson, counseling a Sunsetter, has proven that she has a personal interest in each member of our student body.

Taking time out from her many duties as Senior Counselor, Mrs. Juanita Presson smiles brightly for the student body of Sunset.

We proudly dedicate . . .

this 1960 SUNDIAL to you, Mrs. Juanita Presson. Your bright smile and warm personality have made you a great friend to all Sunset students. We are grateful to you — as teacher, friend, and Senior Counselor — for the advice and understanding you have given us. Your example of constant devotion and loyalty to the high standards of Sunset has inspired us all to become better Bisons.

ALMA MATER

Oh, Sunset High School, Glorious!
Forevermore victorious;
We pledge to thee undying
Love and loyalty.

O may your wisdom guide us
And ever stand beside us;
Throughout our lives we pledge
Devoted faith in thee.

Dear Bisons:

Another year has gone. It has gone so fast that we are still gasping for rich experiences that have made the year a success. Football season, the day at the Fair, and the Christmas holidays seem only a few days ago. These are only a few times, but they stand out most vividly. For all the joys we are most grateful. It is a great thing to know that our happy experiences outnumber the sorrowful ones, but they are necessary to carry out God's Plan for us.

The rich year that you have given to me has been one unequaled anywhere. You gave it through the support you gave the Student Council. With their cooperation and yours, this school is once again in the high ranks.

I would like to thank the faculty for a good year. It seems such a small thing just to thank them for all their encouragement and wholehearted support.

To the seniors I would like to say: Good luck in whatever your plans are. To the other Bisons I would like to say: Good luck with the giant task you have of upholding the spirit and tradition of Sunset High School.

Sincerely,
MARSHALL MARTIN

It was my privilege at the beginning of the year 1959-60 to come to Sunset High School to renew acquaintance with some of my former friends and to add to these a great number of new ones.

It has been my earnest desire to uphold the traditions of loyalty and success so characteristic of Sunset. May we always work together with a kind consideration for our faculty and for our fellow students as we grow and learn the real value of strong foundation and true citizenship.

H. S. GRIFFIN
Principal

This book is dedicated to one person, but in reality it is dedicated to each and every one of you; for it was through your help and co-operation that it was made possible. The editors have tried to depict for you the traditions of Sunset so that they might live and so that you will be able to take them with you wherever you might wander. May you take this book and secure many moments of happy memories. In the years to come this book will be one of your prized possessions. You might forget some names and faces, but you will never forget Sunset's traditions, its school life, its happy associations and experiences it has provided for you. We hope that your contacts in Sunset have provided many educational advantages that will better fit you for service. You will find that happiness lies not in the mere possession of money, but in service, in the job of achievement, and in the thrill of creative effort. We wish you success, for in yours lie ours.

FRANK GUZICK
Assistant Principal

No longer a new faculty member, Mrs. Catherine Vineyard, Dean of Sunset, keeps all of our official records in order. Always willing to offer her assistance, Mrs. Vineyard many times has helped Sunsetters with their problems.

Having served her first year as Senior Sponsor, Mrs. Grace Stubbs has been a source of inspiration to each Sunset Senior.

We want to thank . . .

each and every one of the ladies who work together keeping Sunset going from day to day. There are very few people here at Sunset that realize the tremendous amount of work that the office personnel puts out daily. If it were not for the efficiency that these women display, very little would be accomplished, and Sunset would not be the renowned school that it is. Again we thank you for the many hours you have put forth to make Sunset the school it is.

The Senior Counselor, Mrs. Juanita Presson, counsels with the seniors and helps them to make important decisions.

Mrs. Helen Allen, new to Sunset this year, is secretary to the Senior Counselor.

If you have been absent from school, you should be well acquainted with Mrs. Elizabeth James of the Dean's Office.

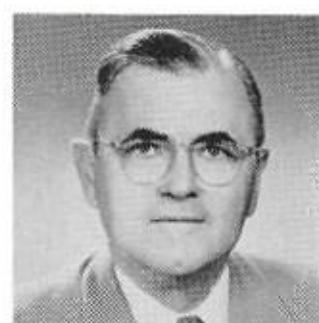

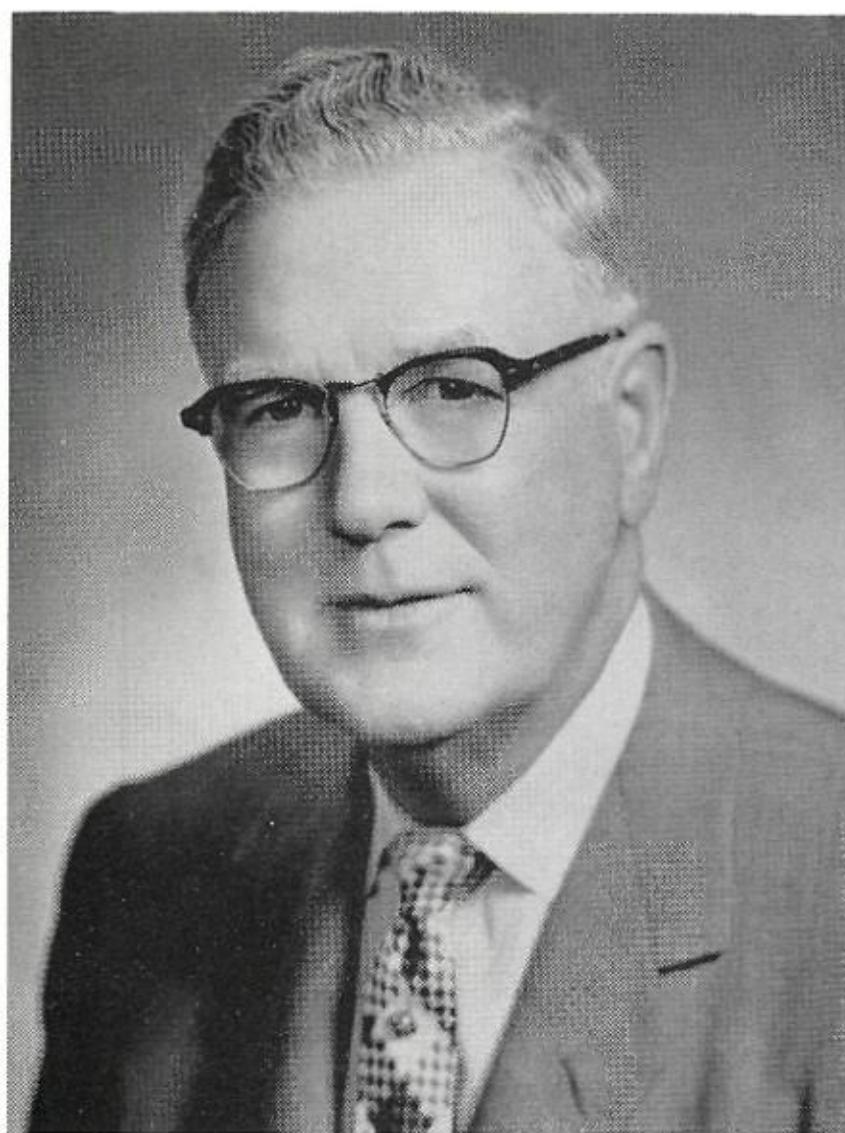

Mrs. Pauline Conrad works in the Dean's Office as a clerk taking care of absentees.

Our principal's secretary is Mrs. Mildred Merriman.

A long-time resident of Sunset is Mrs. Mary Reuscher, who is a secretarial assistant in the main office.

Administrators of the Dallas Independent School District are, from top to bottom, left column: Mr. Hollis Allen, Mr. T. W. Browne, Mr. Don E. Matthews. Center: Dr. W. T. White, Superintendent. Right column: Mr. R. H. McKay, Dr. Ewell D. Walker, Dr. Frank L. Williams.

From left to right, the Board of Education members are: Mr. R. B. Gilmore, Mr. R. L. Dillard, Jr., Mr. Van Lamm, Mrs. Tracy H. Rutherford, Dr. Edwin L. Rippy, Dr. W. T. White, Mr. Franklin E. Spafford, Mrs. Vernon D. Ingram, Mr. Rouse Howell, Mr. Donald M. Bruton.

Of course,

without the guidance of the Board of Education and the Administrators of our Dallas school system, the efforts of individual schools would be to no avail. For these fine citizens who are willing to give of their time and effort for the betterment of the youth of Dallas we are most grateful, and express to them our thanks for a job that has been, and will continue to be, well done.

The PTA Meets

OBJECTS OF PTA

To promote the welfare of children and youth in home, school, church and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

The first meeting of the year draws a large crowd to meet Bison Herd representatives.

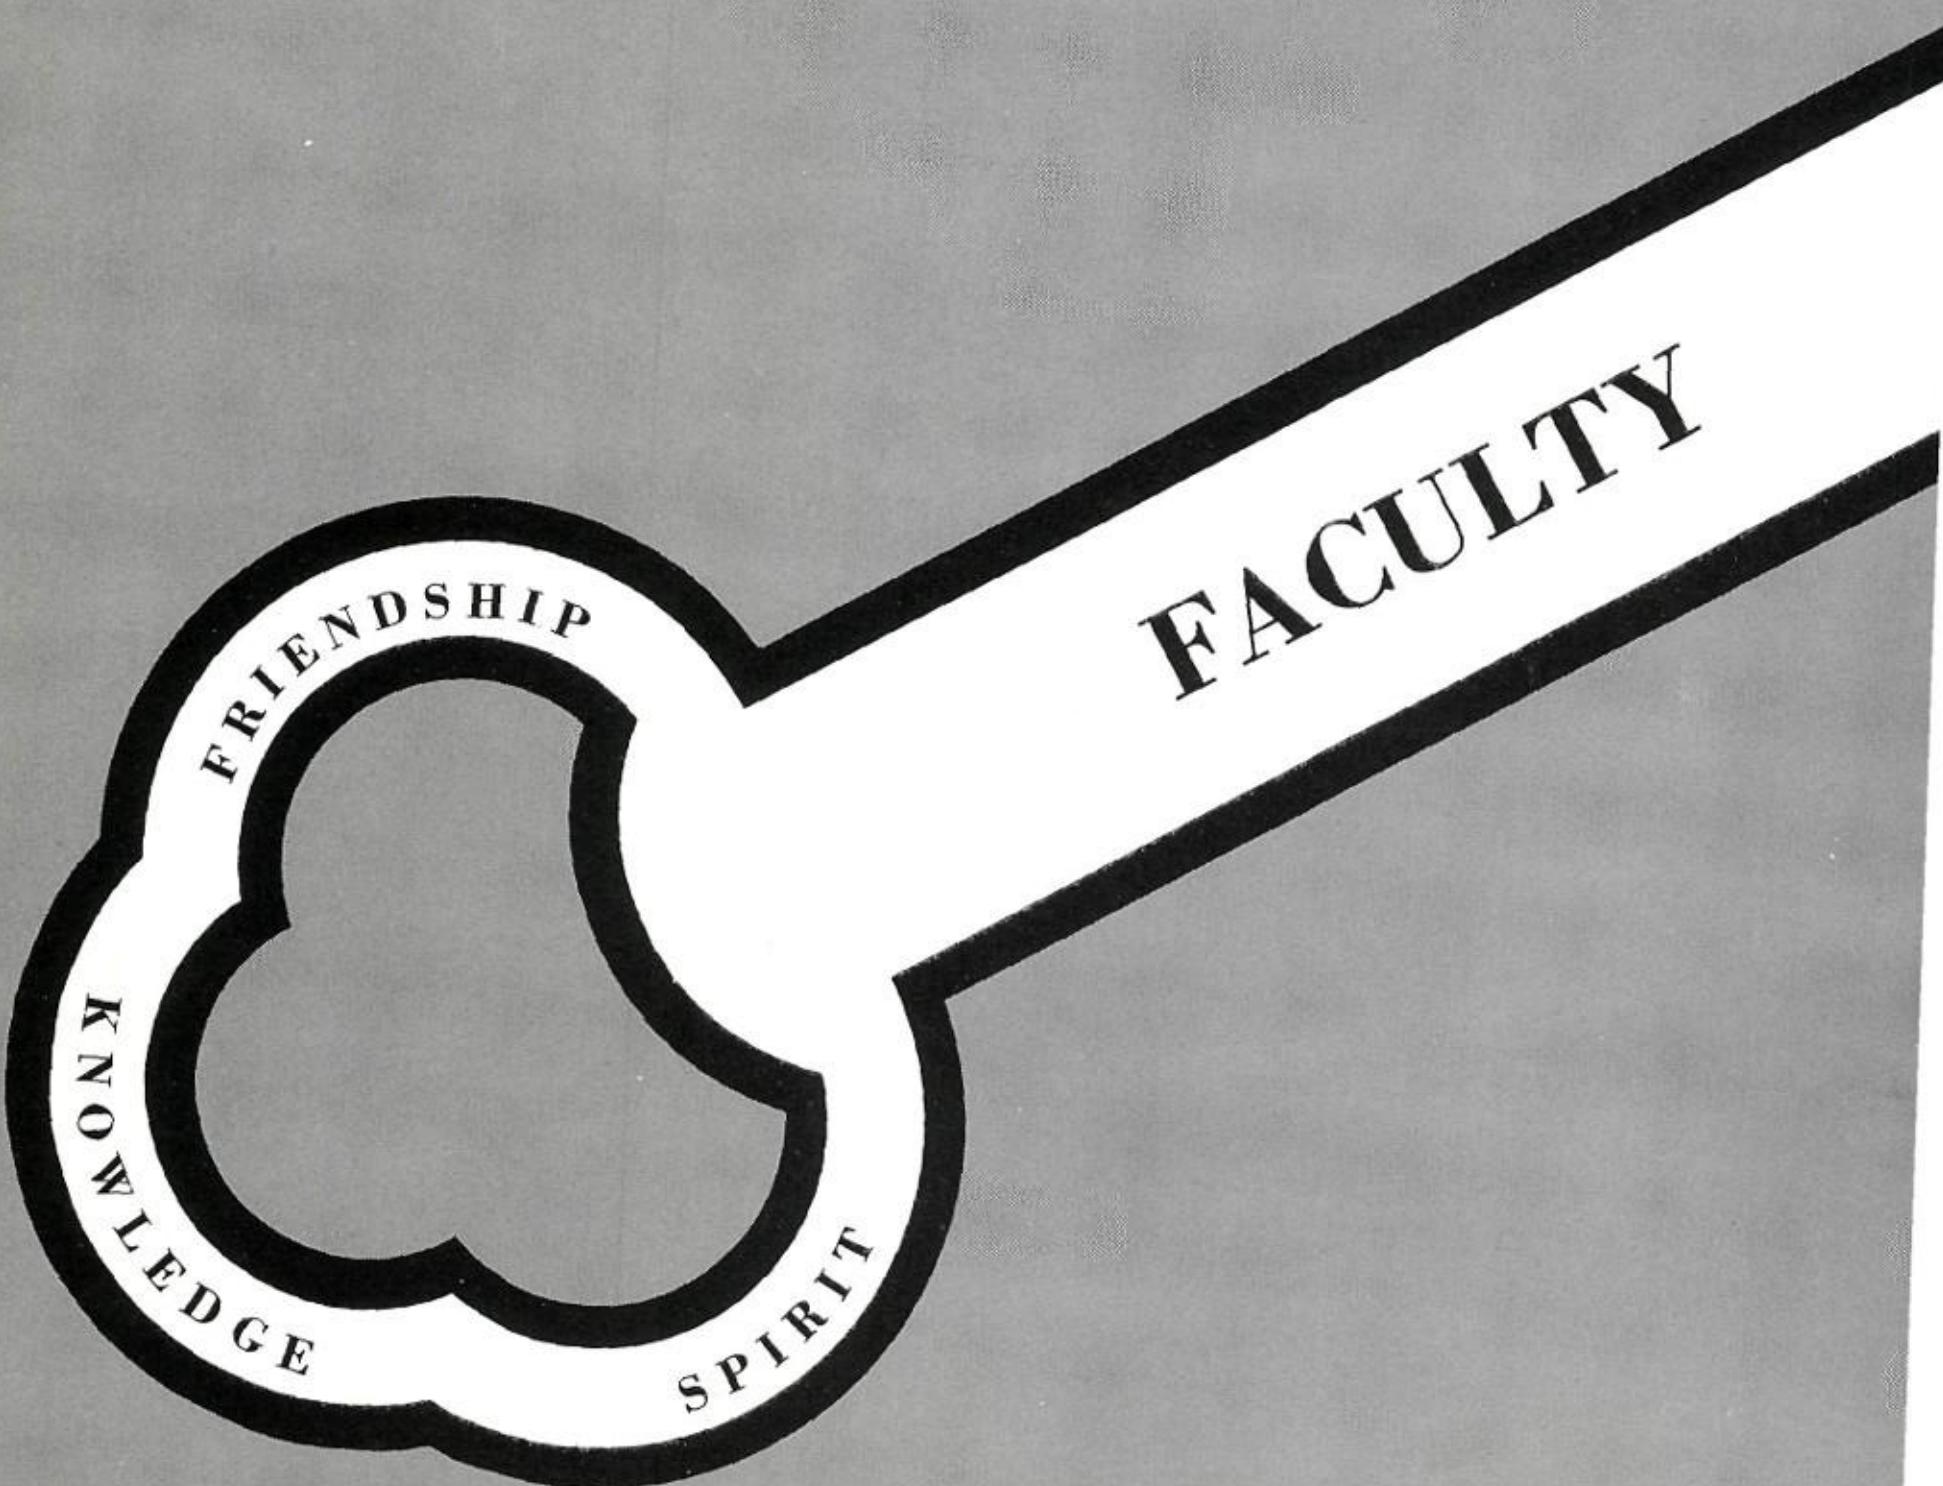

Greeting parents and other Sunset supporters on Bison Night are Judy Jewett and Jane Overcash.

PTA officers for 1959-1960 are, from left to right: Mrs. M. J. Broome, Mrs. T. W. Rutledge, Mrs. Clinton H. White, Mrs. L. H. Graves, Mrs. O. Q. Menzie, Mr. Delbert Willis, Mr. O. N. Moffett, Mrs. Warren Shoecraft, Mrs. C. A. Geist, Dr. John Miller, Mrs. Abe Meyer, Mrs. Henry B. Levine, Mr. Lowell Lockhart.

The key to knowing your faculty . . .

is to know them as they really are — people working together and making plans for the benefit and betterment of the Sunset Bisons. Each man and woman considered as a Sunset faculty member has a sincere, deep, and ever-present faith in young people and a desire to make the world realize and appreciate the great things the youth of today has to offer mankind.

Cooks

Sunset's experienced cooks are, from left to right: Mrs. Joan Gibson, Head Dietician, Gertrude Chandler, Mozell George, Florence Blandford, Versa Lee Johnson, Jesse Campbell, Edna Dightman, Phezell Gardner, Marge Foster, Ida Gilbert, and Christine Sutton.

Mr. John Maloney, Head Custodian, far left, and his assistants, beginning second from left, M. E. Brooks, Raymond Mauldin, Buster Fox, Jasper Williams, Floyd Hartline, and Leon Jones, are the men responsible for keeping Sunset going.

Custodians

THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

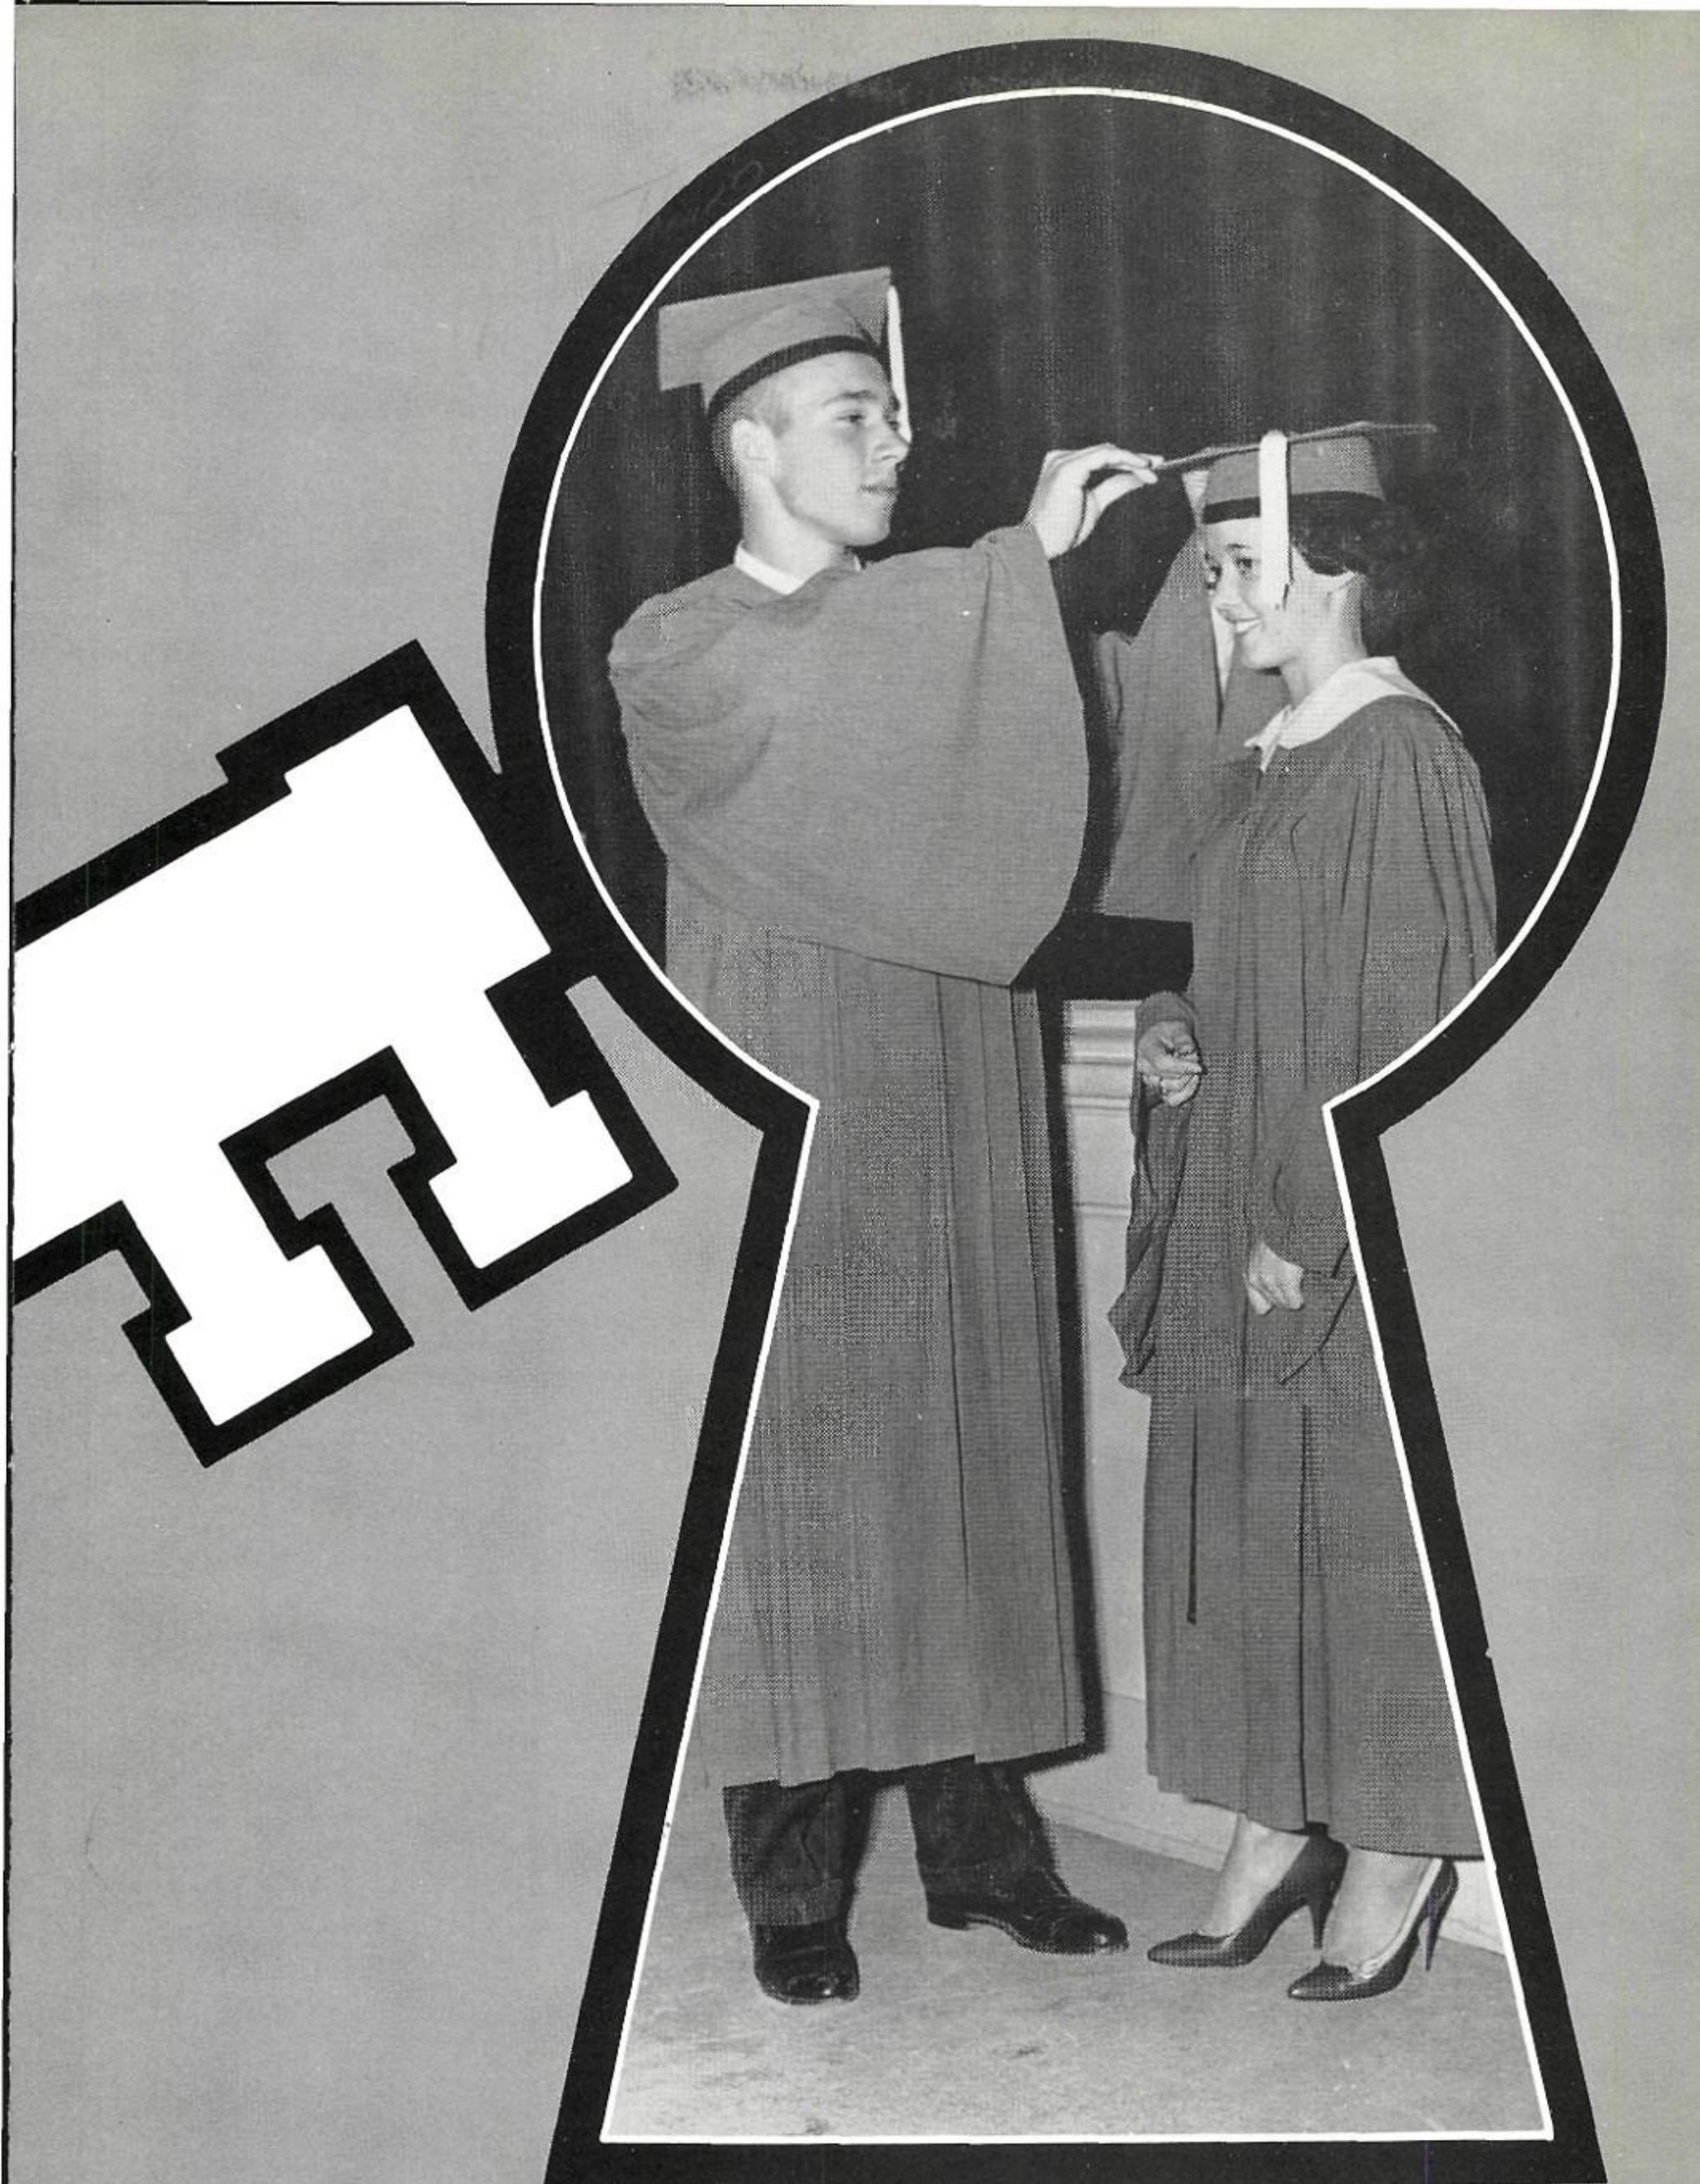

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.

"They just don't fit" . . .

is the cry of the underclassmen as they try to step into the shoes of the senior. No, they don't fit now, but wait 'til next year . . . or the next! You, the underclassmen, are probably thinking, "Well, we'll grow into 'em." Yes, you will grow, and with your growth you shall acquire many new responsibilities.

The student body is the heart of Sunset. You, the underclassmen, as members of the student body, help to make the school what it is. Next year, you will have the duty of upholding the traditions, spirit, friendship, and knowledge of Sunset High School, not only in scholastic endeavors, but also in extracurricular activities. It is a large task. Please don't let *yourself* down.

Best wishes
and good luck
to a real sweet girl
Sylvia Sandlin

Not indigenous to any one particular class, poring over thick volumes of wisdom in the library is a common sight, especially around mid-term. But what about our sleeping friend? Well—that's pretty common, too!

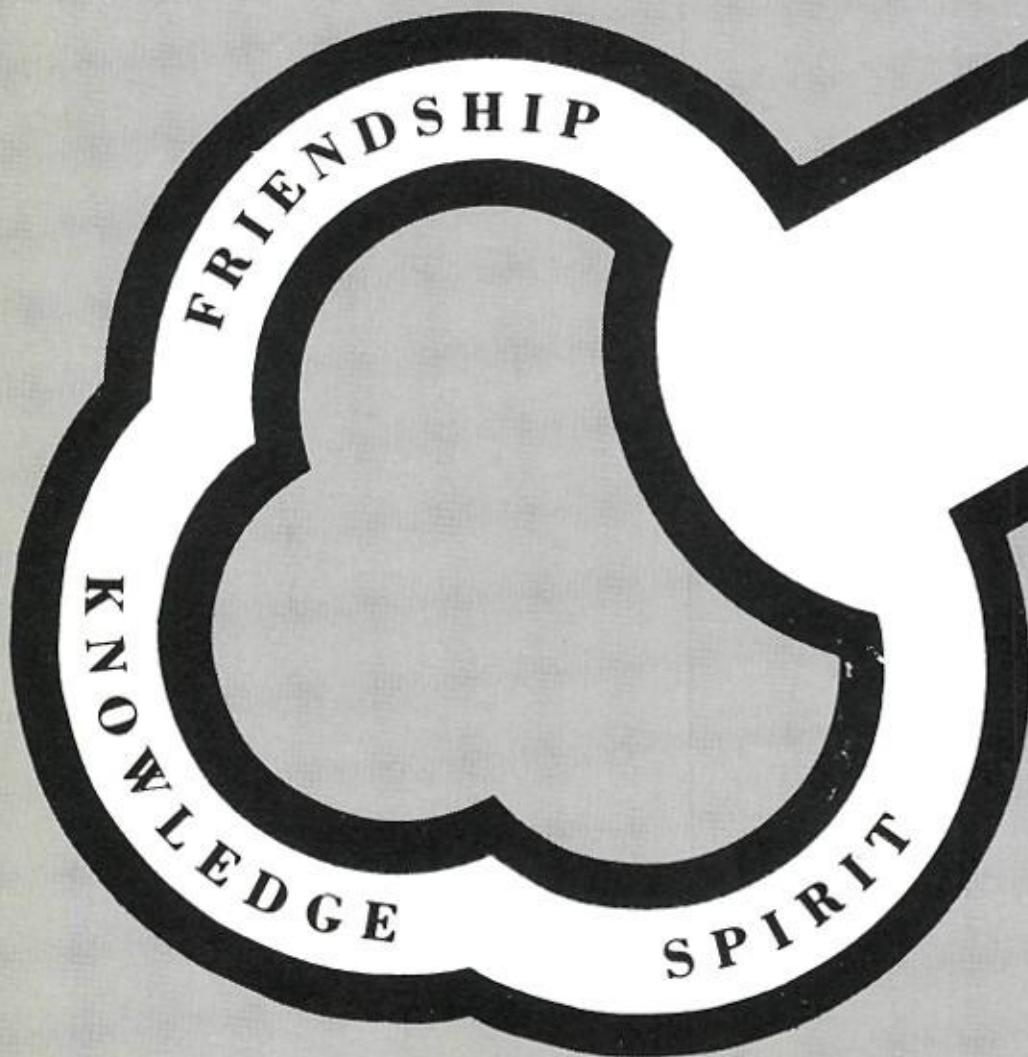

Remember this daily event? You should, if you're a boy, that is. It's Sunset's boys in the "Bull Pen" after lunch period.

Activities of Sunset

serve as a "key" to the spirit of Sunset. The Cheerleaders, Bissonettes, Purple and White Band, and Majorettes greatly influence our spirit. It is their leadership and showmanship that help the student body to form a spirited Twelfth Man to lead the Bisons on to victory. The A Cappella Choir provides beautiful choral music, reflecting the talent of many Sunset Bisons. We always enjoy their performances, particularly the Christmas program and the operetta. All these active, talented groups achieve greatness in representing and backing Sunset.

"We've all heard it said by our coaches that there is a twelfth man on Sunset's football team. That twelfth man is Spirit and a Desire to Win, as expressed by the student body in response to the pleas and proddings of our cheerleaders. What would football season be like without a group of kids down front giving their utmost in effort, heart, and spirit to urge the Bison team on to victory?

in Action

The Top Ten, not in politics or records, but in cheerleading.

The calm before the storm of the Big Bison Herd! A common sight to the caretakers of Cobb Field—Sunset's cheerleaders decorating the goal posts before a game.

Bisonettes

Drill Team Exhibits

The Bisonettes, largest drill team in the Southwest, began their career of outstanding performances in 1953. This 1960 season the Bisonettes were awarded first place in the Fire Prevention Parade in which every high school in Dallas participated.

The drill team also marched in the New Year's Day Parade and in the All-City Band Festival.

Precisioned Skill

In addition, Bisonettes perform at half time during football games and on assemblies. Their chief purpose is to act as a pep squad in promoting school spirit and good sportsmanship.

In trying out for Bisonettes, juniors and seniors having a "C" average are judged on appearance, personality, naturalness, co-ordination, showmanship, and routine.

Purple and White Marching Band

Musicians Win Parade Award

Over 70 Sunset students make up the Purple and White Marching Band. After hours of rehearsals, the musicians performed during half-time at all Bison football games. The Band also performed on assemblies and for parents' meetings. The group brought

recognition to Sunset in the fall by taking top honors in the Oak Cliff Fire Prevention Parade. In the spring the student group participated in two band festivals. In addition, solo and ensemble groups competed for further recognition at the festivals.

Sunset's '59-'60 Drum Major of the Marching Band was Mack Shafer. Roger Lawhorn was President. Other officers included: Steve Wood, Vice-President; Linda McWhorter, Secretary; Paula Carter, Treasurer.

Many long hours of rehearsal are required to mould a group of singers into one choir like the A Cappella, which as an outstanding quality that helps win it many honors.

Singers Present Musical Programs

The A Cappella Choir of Sunset, made up of sixty-six students especially talented in vocal music, has under the direction of Mrs. Louise Stuckey, distinguished itself in music circles of Dallas. The highlight of ths school year was the presentation of the Gilbert and Sullivan Operetta,

"Iolanthe." The choir also participated in the American Education Week program, the Stars Over Dallas concert, the annual Christmas Assembly, and the Baccalaureate and Commencement exercises.

The beautiful Christmas program given by the choir will remain as one of the most pleasant of our memories of our high school days.

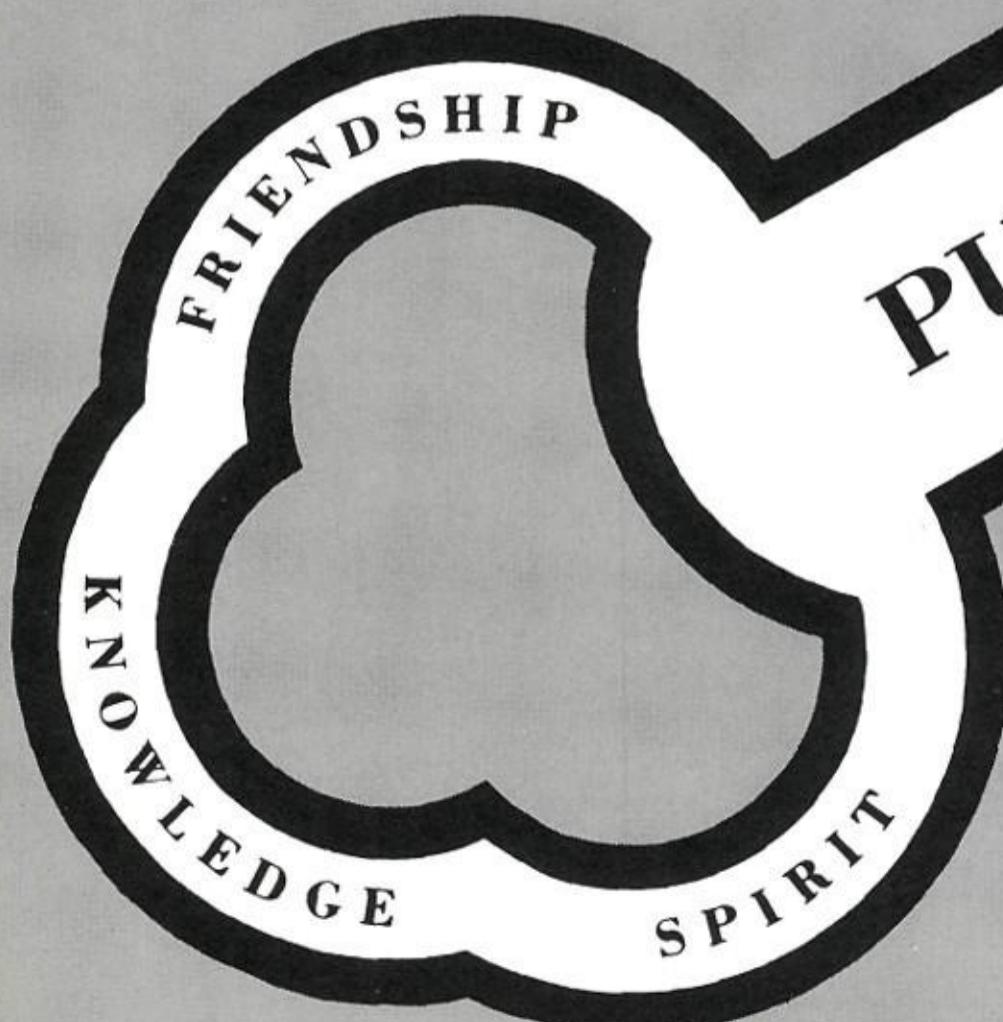

Sundial, Stampede, and Student Directory . . .

are the three publications edited by the students of Sunset High School.

The Stampede is the voice of the student body. It searches out and reports subjects of interest to Sunsetters. A bi-weekly publication, the Stampede has several times captured the All-Texas Honor Rating, and brings enjoyment to all who read it.

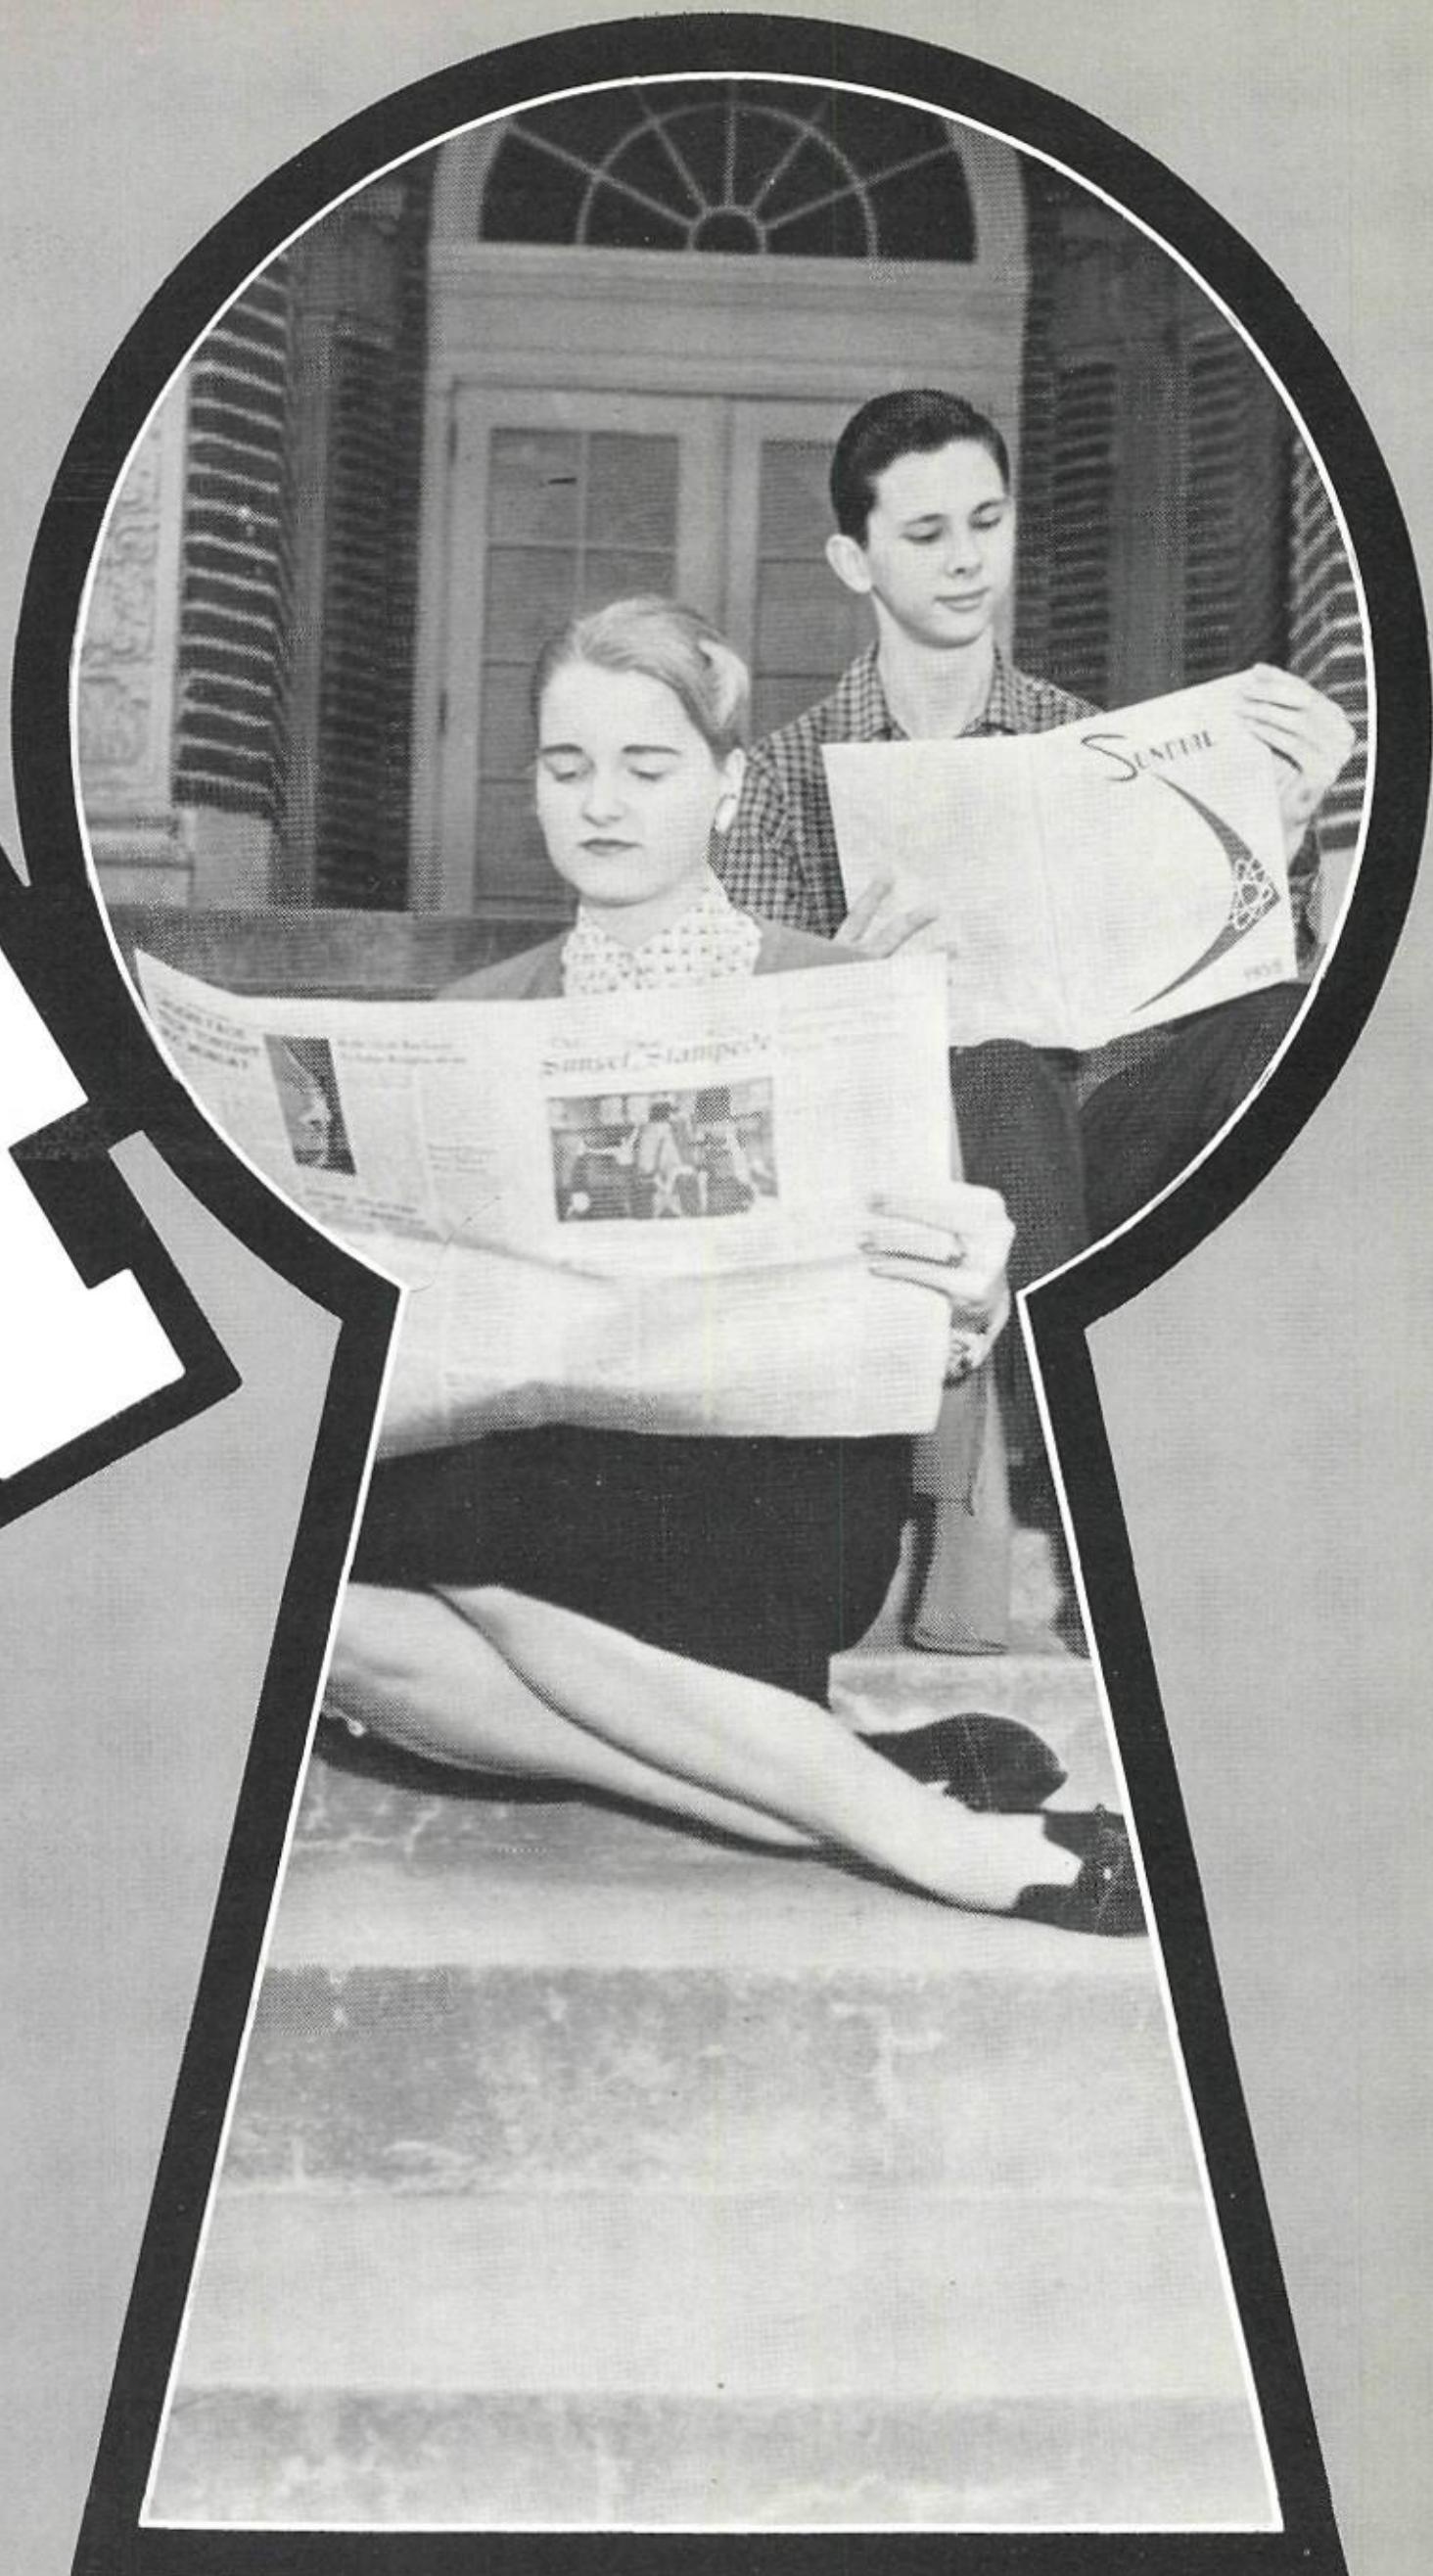

The Sundial and the Stampede, although different in form, possess accurate pictures of everyday life at Sunset to its student body.

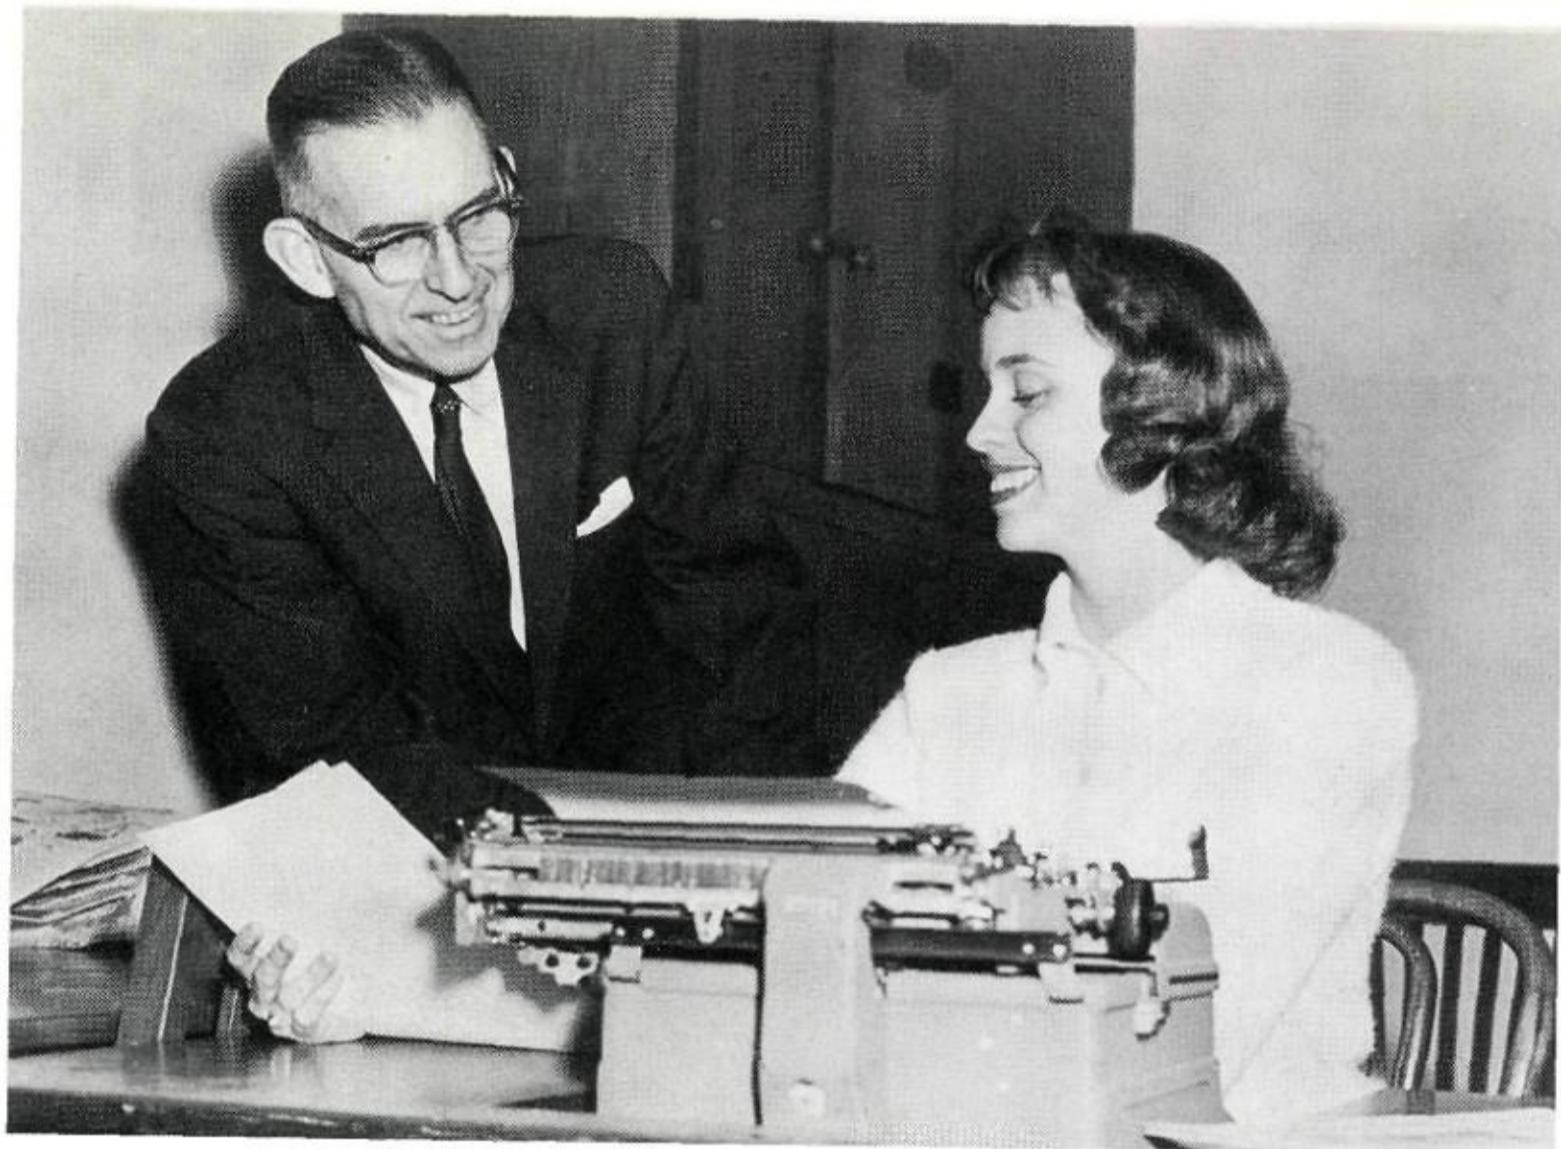

The Student Directory is composed of an alphabetical list of students, their addresses, and their telephone numbers.

REVIEW

Sandy Love, Editor, and Mr. Nelson Hutto, Sponsor, prepare copy for the Sunset Stampede.

FRONT ROW: Vicki Tharp, Column Editor; Susan McKay, Special News and Features. BACK ROW: Martha Owens, Special News and Features; Cherie Hood, Exchange Editor.

Staff reporters are Mike Barker, Janet McAdams, Tommy Wooten, and Mickey Bickers.

The Texas High School Press Association awarded the 1960 Sunset Stampede its highest rating since 1948. The Stampede won first place in editorial and sports writing and third place in sports column.

For the past two years the Sunset Stampede has received the Award of Distinguished Merit, the highest rating given by the Intercholastic League Press Conference.

The purpose of the Stampede is to give a fair and accurate account of all school news and to promote activities and influence students to uphold the high standards of Sunset.

Sunset Stampede

Award Winning Paper Gives Complete News Coverage

Managing Editor Kay Combs and Business Manager Robert Wacaser proofread copy.

Photographer Stanley Gary and Cartoonist Jimmy Goodman.

Staff Plan 1960

Susan McKay and Barry Schwarz, Co-Editors of the Sundial, plan layouts under the instruction of Mr. Faught, Sponsor.

The Sundial is a pictorial replica of student life. This yearbook holds many of the traditions and unforgettable memories of Sunset within its covers. Although the book is printed by a professional printing company, students plan all layouts for the yearbook, write the copy, and take many of its pictures, and create all new elements of originality.

Business Manager Murray Hardy and Assistant Manager David Spencer plan the advertisement section.

Photographer Charles Collum, snaps a picture of Art Editor Jeanni Redfern.

Members Sundial

Students began work on the 1960 Sundial in the summer before school started.

The annual was presented to the student body in the spring before senior graduation.

A special day called "Sundial Day" is set aside for the reading and autographing of annuals. A special assembly is held for the annual presentation of the annual.

Literary Editors Maureen McGervey and Mary Blake French write copy for the annual.

Ellen Morgan, Sue Hancock and Carol McDaniel select pictures for "Student Life."

Charlotte Ferguson, Joe Finley, Pat Bonnell, and Barbara Barnett study other school annuals.

Staff members relax as work on the Sundial comes to a close . . .

But the Stampede continues to edit the paper until May 26.

Staff Prepares Materials for Student Directory

The Student Directory Staff is responsible for making layouts for the directory and for copyreading names and addresses as well as selling advertisements

to pay for the cost of the book. Profits made are given to the track and tennis teams for the purpose of buying equipment.

Members of the Student Directory Staff are: Standing, Derwood Winfree, Mr. Scruggs, Sponsor, and John Williams. Seated around the table are Hoyt Pilkilton, Steve Portman, Robert Davies, Tommy Shank, Susan Heth, Rickey McWhirter, Buddy Hamilton, Joyce White, and Jerry Moffett.

The sunset personalities . . .

are well known and well liked by their fellow students. Most of them are active in many phases of high school life. Their friendliness, enthusiasm, and interest in Sunset and Sunset Bisons make them all outstanding personalities.

This is your life . . .

at Sunset High School—the highlights of the year 1959-60 in pictures. From the grind of daily classes to the grandeur of graduation, you'll never forget the daily happenings that make up a year at Sunset. Through an array of extracurricular activities, you learned that education far exceeds the boundaries of class room work. That first day of school . . . the pep rallies . . . American Education Week . . . football games . . . 8-7! . . . Homecoming . . . Thanksgiving . . . Christmas . . . Easter . . . the plays . . . the assemblies . . . the dances . . . class meetings . . . These everyday happenings are interwoven forever in your thoughts and memories of your life at Sunset High School.

ORGANIZATIONS

QUESTION

Devotionals are led by students each morning before school begins.

The purpose of Morning Meditations is to create a better spiritual atmosphere in Sunset and to promote an organization for young people of all denominations and faiths.

The committee encourages daily devotions among the student body, giving students an opportunity to meet in fellowship and to worship God.

Devotional attendance is voluntary and is open to faculty members and guests. Devotionals feature

talks by students, faculty members, and guests, as well as inspirational music by talented guests.

Committee activities include the collection of food and clothes for a needy family at Christmas, an annual Christmas party, and an initiation party for new members each spring.

Committee members are selected by the previous year's committee from among those students who submit written applications.

Serving as chairman of Morning Meditations is Gary Hooker. Murray Hardy and Carol Peacock serve as co-chairman and secretary, respectively.

The purpose of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in a young adult.

Sunset High School feels that the highest honor it can bestow upon any student known to possess qualities of leadership, scholarship, service, and character is election to membership in the National Honor Society.

Elected by students to serve as their official representatives in all matters of concern to the entire school, Student Council provides a medium through which student opinion may be heard and a forum for the consideration of common school problems.

Student Council members started their busy schedule this year by helping to orient newcomers to Sunset. In addition, the Council assisted Sunset during American Education Week, Homecoming, and Career Clinic. At Christmas time, the Council sent baskets to needy homes. In February and April the group sponsored the Sweetheart Dance and Student Day, respectively.

Student Council officers are: Vice-President, Charles Robertson; Treasurer, Terry Lord; Parliamentarian, Mary Evelyn Merritt; Secretary, Carol McDaniel; President, Marshall Martin.

Members of the Sunset Amateur Radio Club have a common interest in radio. The club was organized to help interested participants build radios and obtain licenses. The Sunset Amateur Radio Club has set up a transmitter and receiver in the school in order that members may talk to clubs of similar distinction all over the world.

Do you remember the many posters advertising school activities and the stage settings and props used on assemblies and on special programs throughout 1959-60? All of this work was done by members of the Art Service Corps.

The Corps is made up of interested art students and is designed to do necessary art work for Sunset and for individual organizations within Sunset.

Preparing for the Christmas assembly, Marianne Clinkinbeard, Chairman, is assisted by Judy and Dewey.

Why, Mr. Guzick! Surely you're not giving one of your own assistants a detention!

Another group of girls that has a part in keeping the wheels of Sunset turning is the small, but efficient, group that works in Mr. Guzick's office during each period of the school day.

Delivering call slips, filing, and typing are only a few of the many duties assigned to the girls by our Assistant Principal.

While Mr. Guzick is out of his office for business in one of the main offices, these girls have the opportunity of entertaining all of his "visitors."

Being so closely associated with the man who strikes fear into many a heart, his assistants know that he is a man who knows how to laugh—and quite often at that!

Ella Fowler assists in weighing and measuring new students, one of her many duties as a clinic worker.

Volunteering their services, the majority of the Clinic assistants plan to enter the nursing profession and find that assisting in the clinic gives them an insight into nursing as well as an opportunity to help in keeping the well-oiled wheels of Sunset moving.

Remember the time you had to "take advantage" of the Sunse clinic? And were there times, too, when a medium-soft bed was more to be desired than an extra hard desk? Whatever the case, the clinic assistants were there to help you.

Duties of girls who assist Mrs. Winifred Rivers, school nurse, are admitting students, giving emergency first aid, taking temperatures, filing, assisting in various examinations, and keeping the clinic orderly at all times.

The Dramatics Club stresses participation in the dramatic arts as a measure of teaching boys and girls standards of evaluation and appreciation of the theatre, radio, screen, and television. Membership is restricted to those who are interested in dramatic arts and who possess character and ability to develop any special talents they may demonstrate.

Activities include initiation of new members, an annual Christmas party, the planning and performing of skits at each club meeting, and the production of the Thanksgiving assembly.

Officers of the club are: Sandy Love, President, Carole Taylor, Vice-President, Barbara Barnett, Secretary, Patty Floyd, Treasurer, and Buckie Bowie, Reporter.

Vice-President Cecil Mathis and President Steve Vermillion, prepare to show an educational film to Sunset students.

While serving as projectionists for all educational films shown to Bisons, members of the Flicker Club learn about the mechanics of motion pictures.

In the Club's meetings every other Thursday, discussions of means to improve the operation and maintenance of projectors are held. The Club also views interesting films during their meetings.

Highlighting the year is a trip to a local movie projection room.

Future Business Leaders of America prepares students for their places in the business world. Members of the Future Business Leaders meet to exchange ideas about various phases of today's business. Active members have the opportunity to learn about business in their own community. By attending state and national conventions, FBLA members are able to gain a greater knowledge of today's business, nationally and locally. Knowledge gained from attending FBLA meetings often influences a student's choice of a career in the business world.

Future Nurses at Sunset are encouraged to learn the requirements of nursing and what the profession offers. Other objectives of the club are to interest students in personal and community health and to encourage their social and intellectual abilities.

This year's members have learned about the profession by visiting two local hospitals, hearing guest speakers from the nursing profession, and by assisting the Dallas Mental Health Association in collecting articles to be used at Terrell State Hospital. The organization also made aprons for the Lion's Club Health Center and tray favors for children's wards in local hospitals.

J.A.'s have an opportunity to see the American enterprise system in operation.

Jr. Achievement is not a club, but a small-scale business organization. Every night of the week, except Friday, 700 teenagers in the Dallas area divide into 47 miniature corporations, which meet on one of the four nights. Each corporation has a name, officers, production staff, sales force, and board of directors rolled into an average of 12 to 13 teenagers.

The object of J.A. is to give the businessmen and women of tomorrow the opportunity to see the American free enterprise system in its actual operation. There is no penalty for failures—only new lessons for future success.

Four Sunset students comprise the Junior Citizen's Traffic Commission. Chosen on the basis of their outstanding citizenship, these students attend monthly meetings of all Dallas schools. Discussions on various phases of traffic safety are held. In the interest of promoting traffic safety in the individual schools, the Sunset group of the Junior Citizen's Traffic Commission strives to improve traffic safety at Sunset.

Under the direction of Mr. Elmer Knox, driver education teacher, 12 Sunset representatives attended the Youth for Traffic Safety Conference at Southern Methodist University.

Junior Red Cross is the youth division of the American Red Cross, which conducts a wide variety of community, national, and international service activities.

Through Junior Red Cross, young Americans are busy in service to fellow Americans and are shaking hands with friends around the world. They are exchanging ideas, culture values, and acts of service.

Their favors and their talents are in hospitals. They are at places of distress with their optimism, their gifts, and their concern for other people.

Making preparations for one of their service projects, such as the variety program given at Veteran's Administration Hospital this year, are President Adair Cleveland, Secretary Dianna Fleming, and Treasurer Cecil Mathis. Darlene Eagan served as Vice-President.

"To learn of other people leads to better understanding." This is the motto of the Pen Pals Club.

At their meetings, the members contribute something of interest about the letters that they have received from their pen pals throughout this country and from foreign countries.

Many of the students who have pen pals in foreign countries have discovered that life abroad is very similar and has much the same flavor as does our life in the United States.

By corresponding with young people here and abroad, Sunset's Pen Pals hope to gain not only a better understanding of the various peoples of the world, but also a better understanding of themselves.

Established in 1929

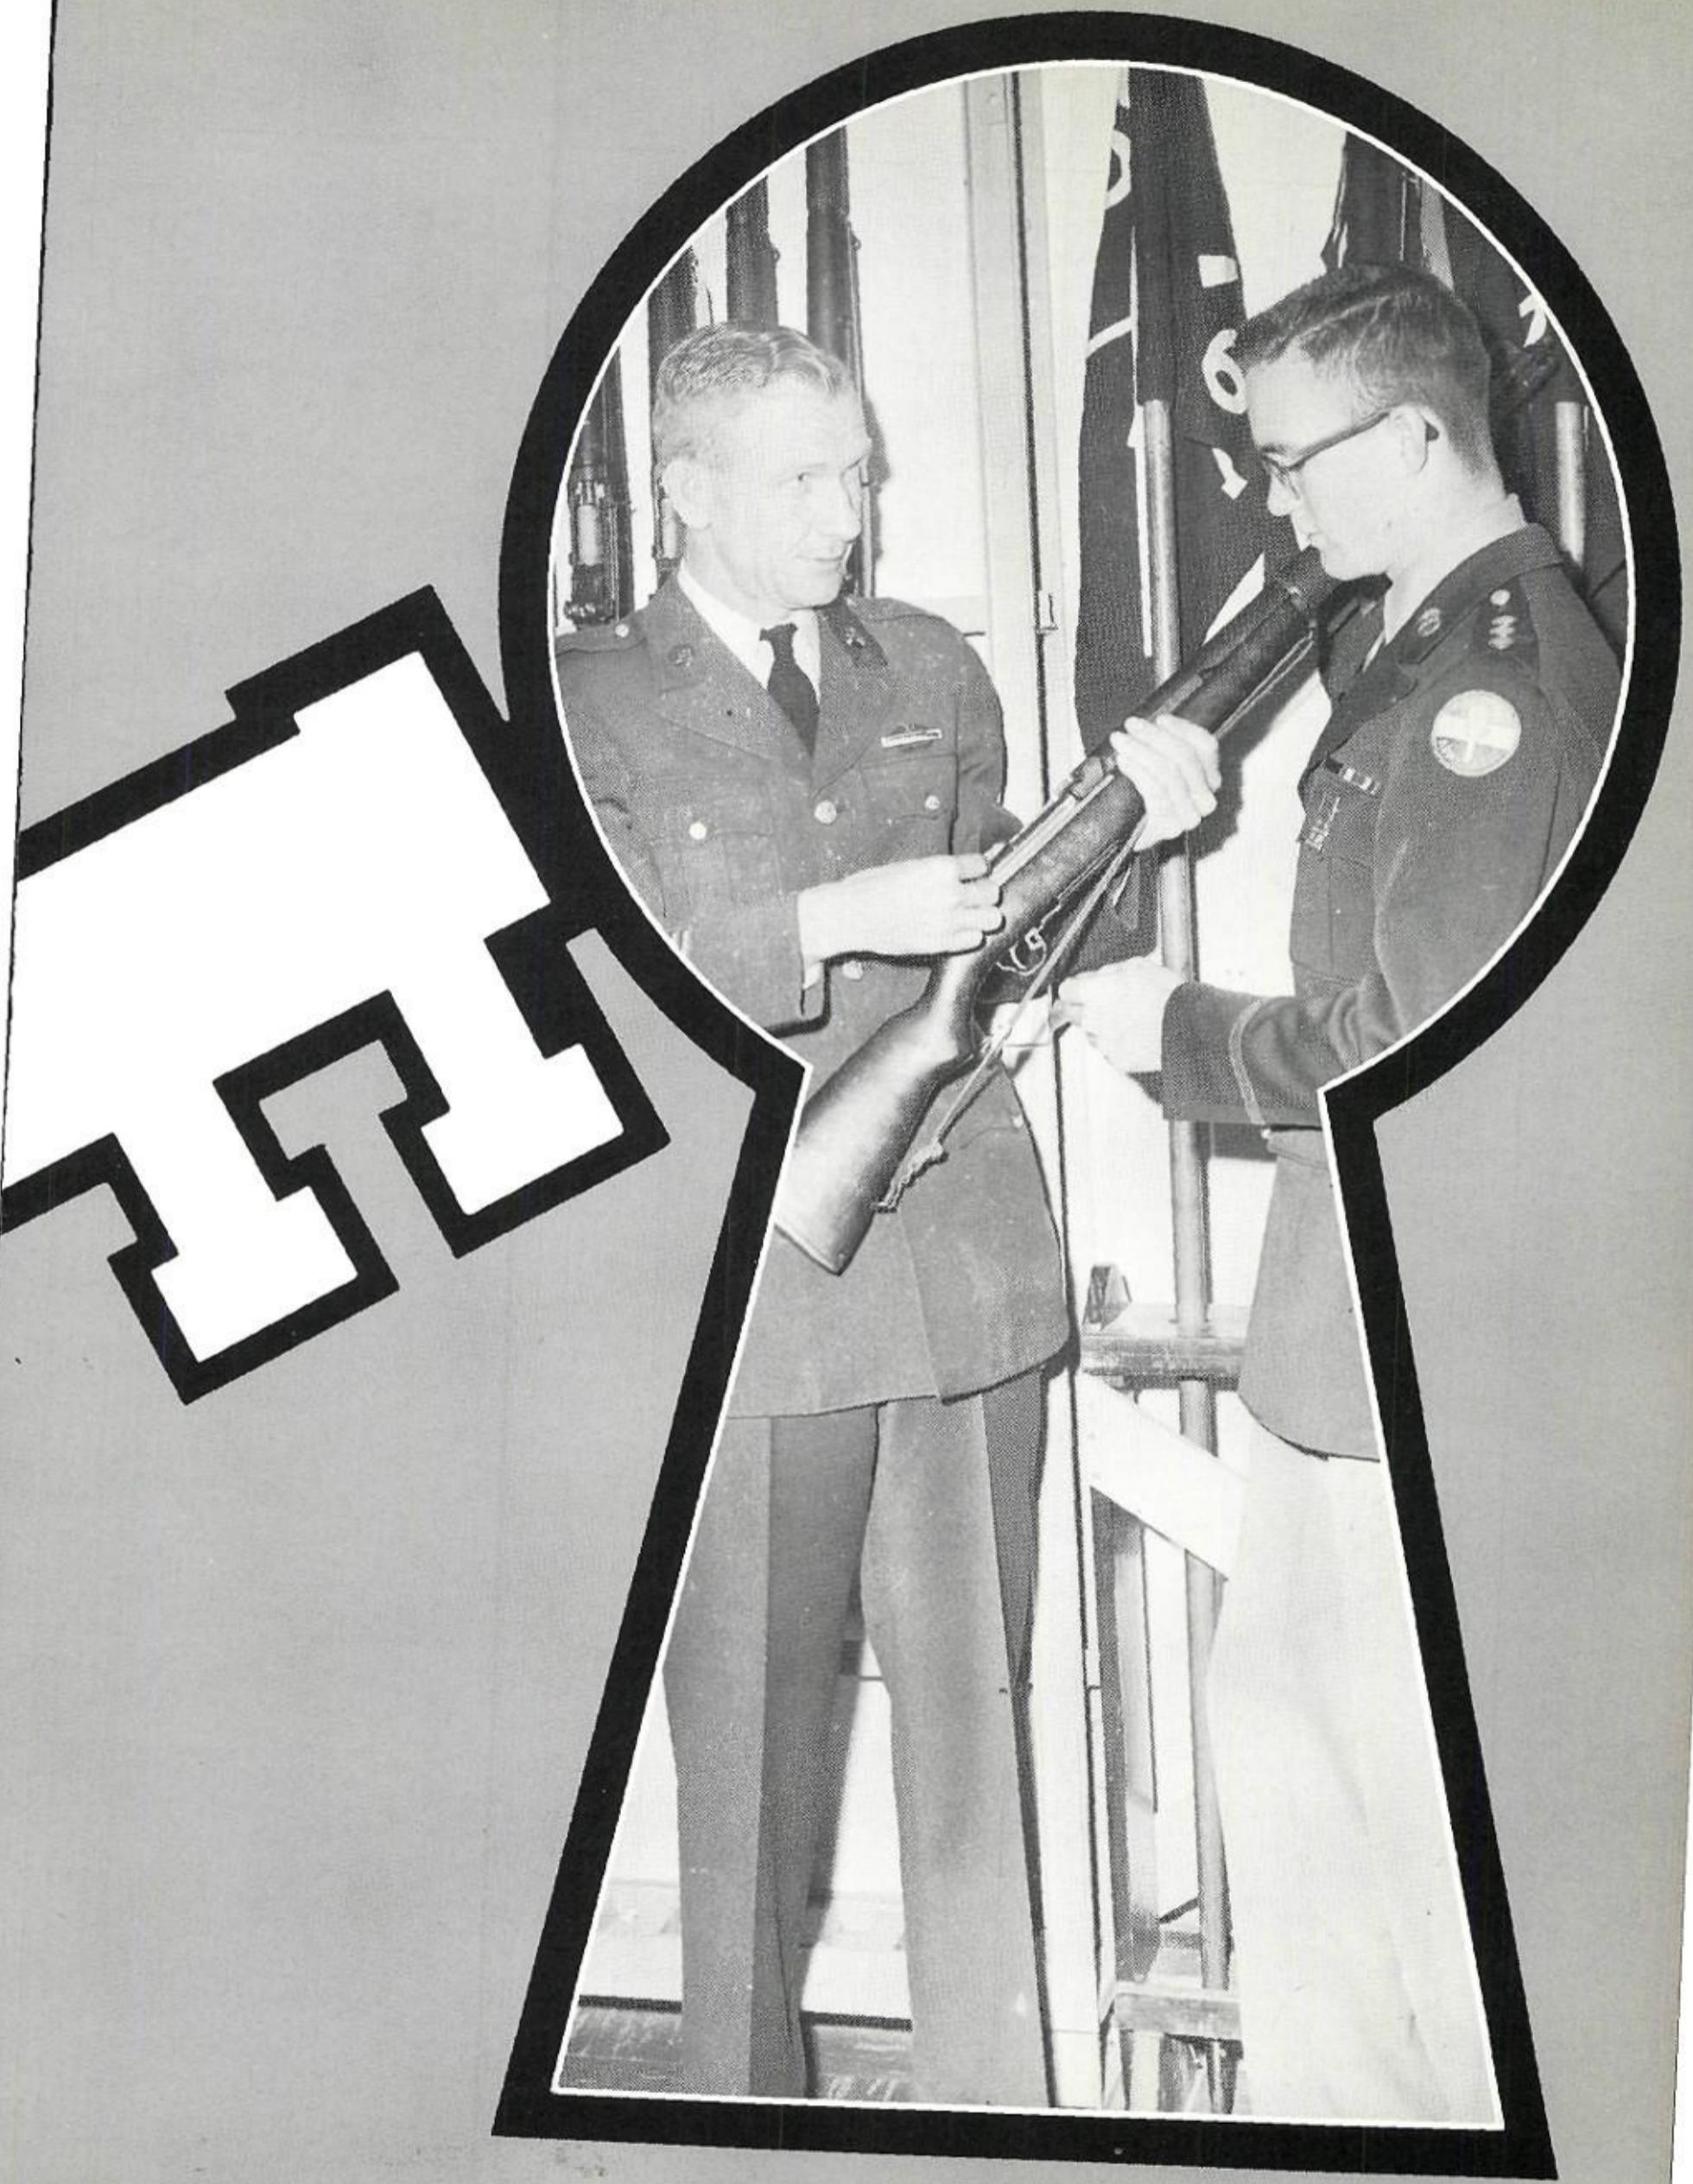

the Sunset Reserve Officers Training Corps, better known as the R.O.T.C., has brought to Sunset many team and individual honors. The purpose of the Corps is to build citizens for tomorrow and to interest the young men of America in the military programs of the United States.

Besides the regular classroom instruction, the cadets have opportunities to participate in the Jodiliers, the Rifle Team, and the Color Guard. During the summer the cadets participate in four weeks of intensive military training at Camp Dallas located at Mineral Wells, Texas.

The Jody Drill Team is active in school assemblies, invitational drill team competitions, and performances at other schools. The Rifle Team also participates in matches with great success, Sunset now having one of the top five riflemen in the city. The Color Guard has the responsibility of raising and lowering the flag and posting the colors at assembly and other special programs.

The social highlight of the year is the Military Ball, sponsored and financed completely by the cadets.

R.O.T.C. Leaders

Leadership in the R.O.T.C. is supplied by Commandant of Cadets, Colonel Brock and his two assistants, sergeant instructors, Sergeant Wetzel and Sergeant Meyers. Cadets also hold positions of leadership, such as the group staff pictured below.

The Reserve Officers Training Corps, aside from class and field work in military training, has something new this year at Sunset. This "something new" is the sponsorship by nine sweethearts of each of the units of the Corps. At the military ball the queen was selected from the sweethearts.

In addition to their regular class and practice hours, there are four cadets who participate as members of the Color Guard. To present the flag at all official ceremonies and to raise the flag in the morning and lower it at night are the duties of the Color Guard.

Cadets learn the proper way to care for and to handle rifles.

Go, Bisons, Go!" . . .

Such was the chant that rang out amid the bustle and excitement of the crowd cheering the Bisons on to victory. In response, the athletes gave their all for the honor and fame of Sunset.

The competitive spirit shown in athletics is a spirit that affects us all in our high school life. Without it, high school would be a somber place. With it, high school is an institution that lives with physical training as well as mental training. Football . . . Basketball . . . Track . . . Baseball . . . Golf . . . Tennis . . . Bisons Take South Zone

Football '59

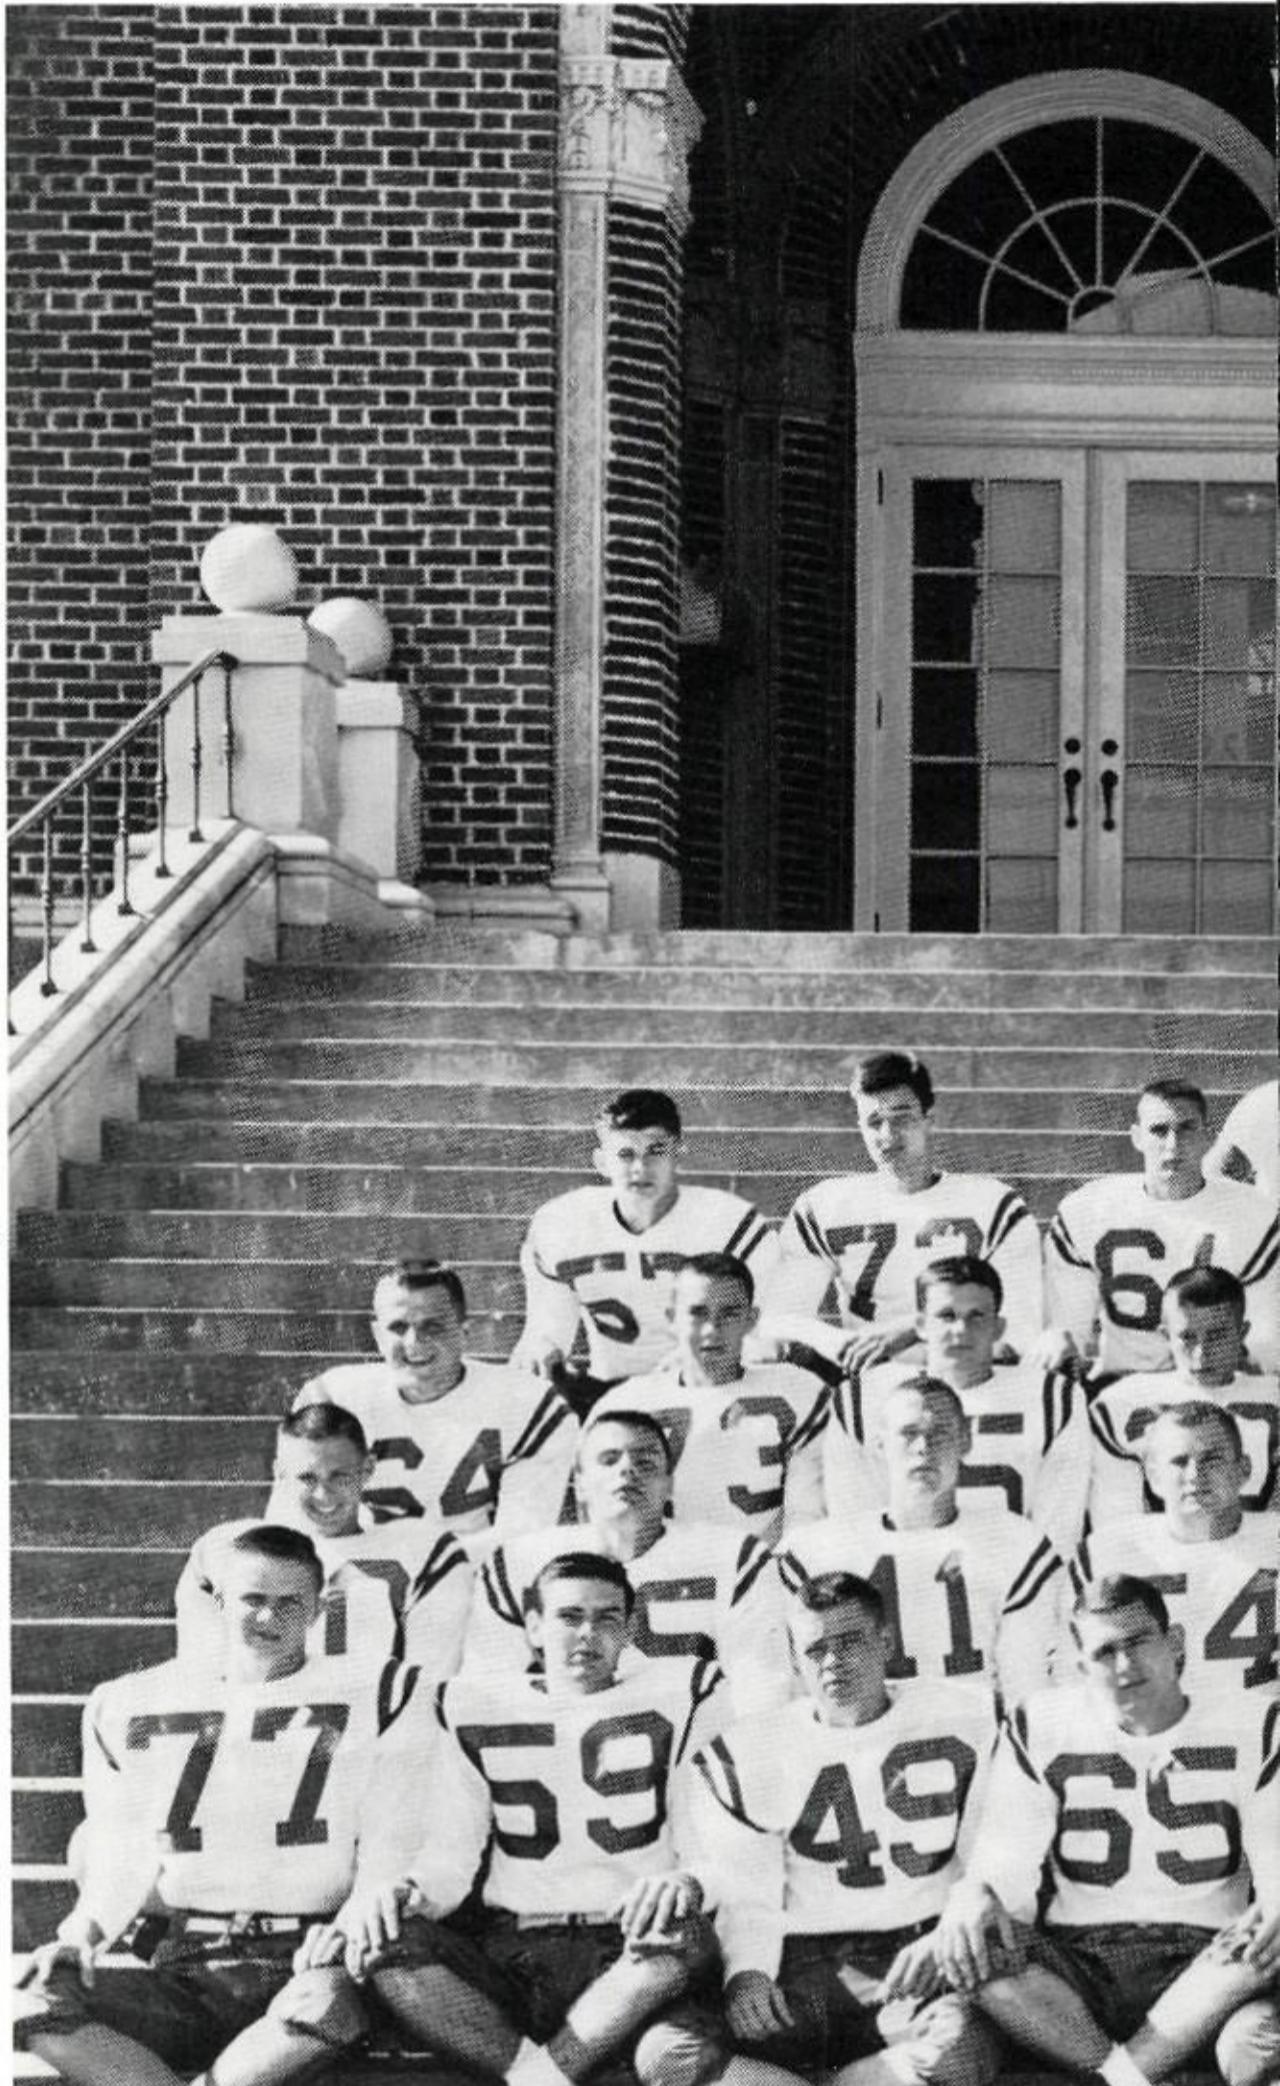

History was made again as the 1959 Bison team won the South Zone championship by one point for the second consecutive year. Dubbed "the most interesting team I have ever seen play football" on several occasions, and by several people, the Bison Eleven certainly lived up to that kind of a reputation —interesting, explosive, and lucky.

It would be difficult to pick the most exciting game. If you're superstitious, perhaps breaking that Thomas Jefferson jinx 14-13 was your biggest thrill. Or maybe it was keeping the six-year-old hex on Hillcrest alive, 35-0. Or if you're the type that's thrilled by a championship, watching the Bisons win the South Zone championship was probably the high point of the season for you. Although Sunset was defeated by Samuell's Spartans when playing for City championship, the Bison Spirit reigned supreme throughout the entire season.

Coaching the Bisons

since 1947, Coach Byron Rhome, with his assistants, Coaches Jack Roten, and J. C. Barnett, has led the Bisons to a state championship, presented the state honor rolls with many an outstanding football player, and more than once has guided the Sunset team into places of honor befitting its stature. Once again this year he has done an outstanding job in coaching Sunset's team to the estimated fifth position in the state.

Even though the young Bison line was not able to open holes in the Longview Lobo's forward wall, Sunset's air attacks proved their worth as Sunset scored two of its three touchdowns through the airways in the season opener. The result: Lobos, 32; Bisons, 21.

The fickle pigskin changed hands several times as Sunset edged Samuell 30-26 in the first game played in the city.

Bisons Break T.J. Jinx by One Point, Surprise City With 35-0 Win Over Hillcrest

The long-awaited day arrived! The Bison Eleven broke the three-year jinx with Thomas Jefferson by one point. Bisons scooted by the Rebels 14-13 with a surprise pass from ace passer Jerry Rhome to John Beal.

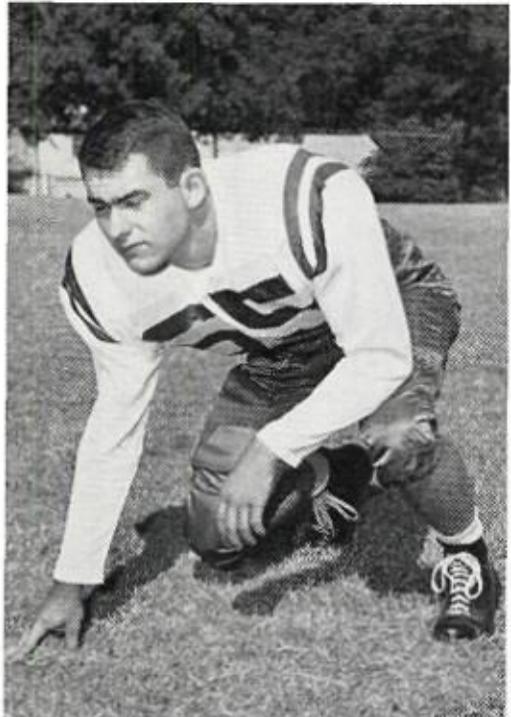

Experts had the Bisons as underdogs as they met the favored Hillcrest Panthers. But when the final seconds had ticked away, Sunset had kept the six-year hex on the Panthers as they romped to a 35-0 upset.

Bisons moved out of town the next week to take on the Texarkana Tigers. Again the experts were proved wrong as the ever-improving Sunset Bisons walked away with a 27-0 win.

Young knights from Kimball struck quickly; however, the Bisons stampeded as the victory train kept rolling along. The outcome: Sunset, 56; Kimball, 20.

Marshall is being chased by a pack of Tech wolves.

Picking up speed on their way to the South Zone championship, the powerful Bisons crushed the Crozier Tech Wolves 71-0.

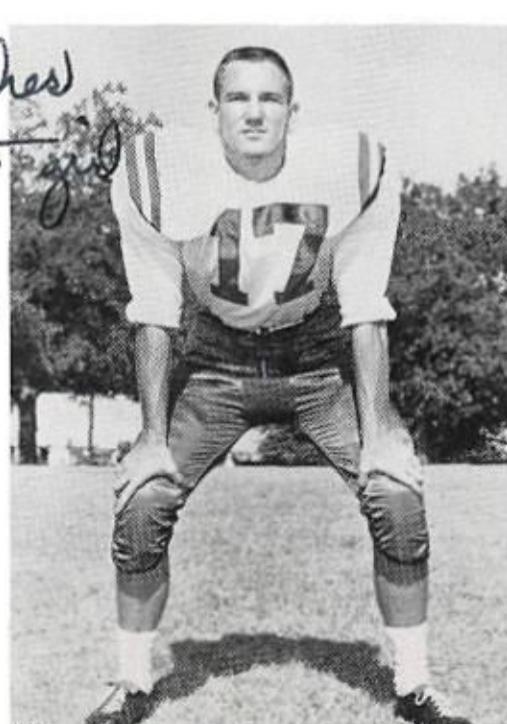

Figuratively, two games were played at Sprague Field when Sunset met Adamson. The Leopards leaped ahead by a score of 16-13 in the first half. But the mighty Bison Herd roared past the Leopards in the second half by a score of 47-22 in one of the oldest rivalries in the city race.

Sunset's outstanding football player, Jerry Rhome, receives the Bell Award of Player of the Year from Johnny Bell as Principal H. S. Griffin and Coach Byron Rhome look on.

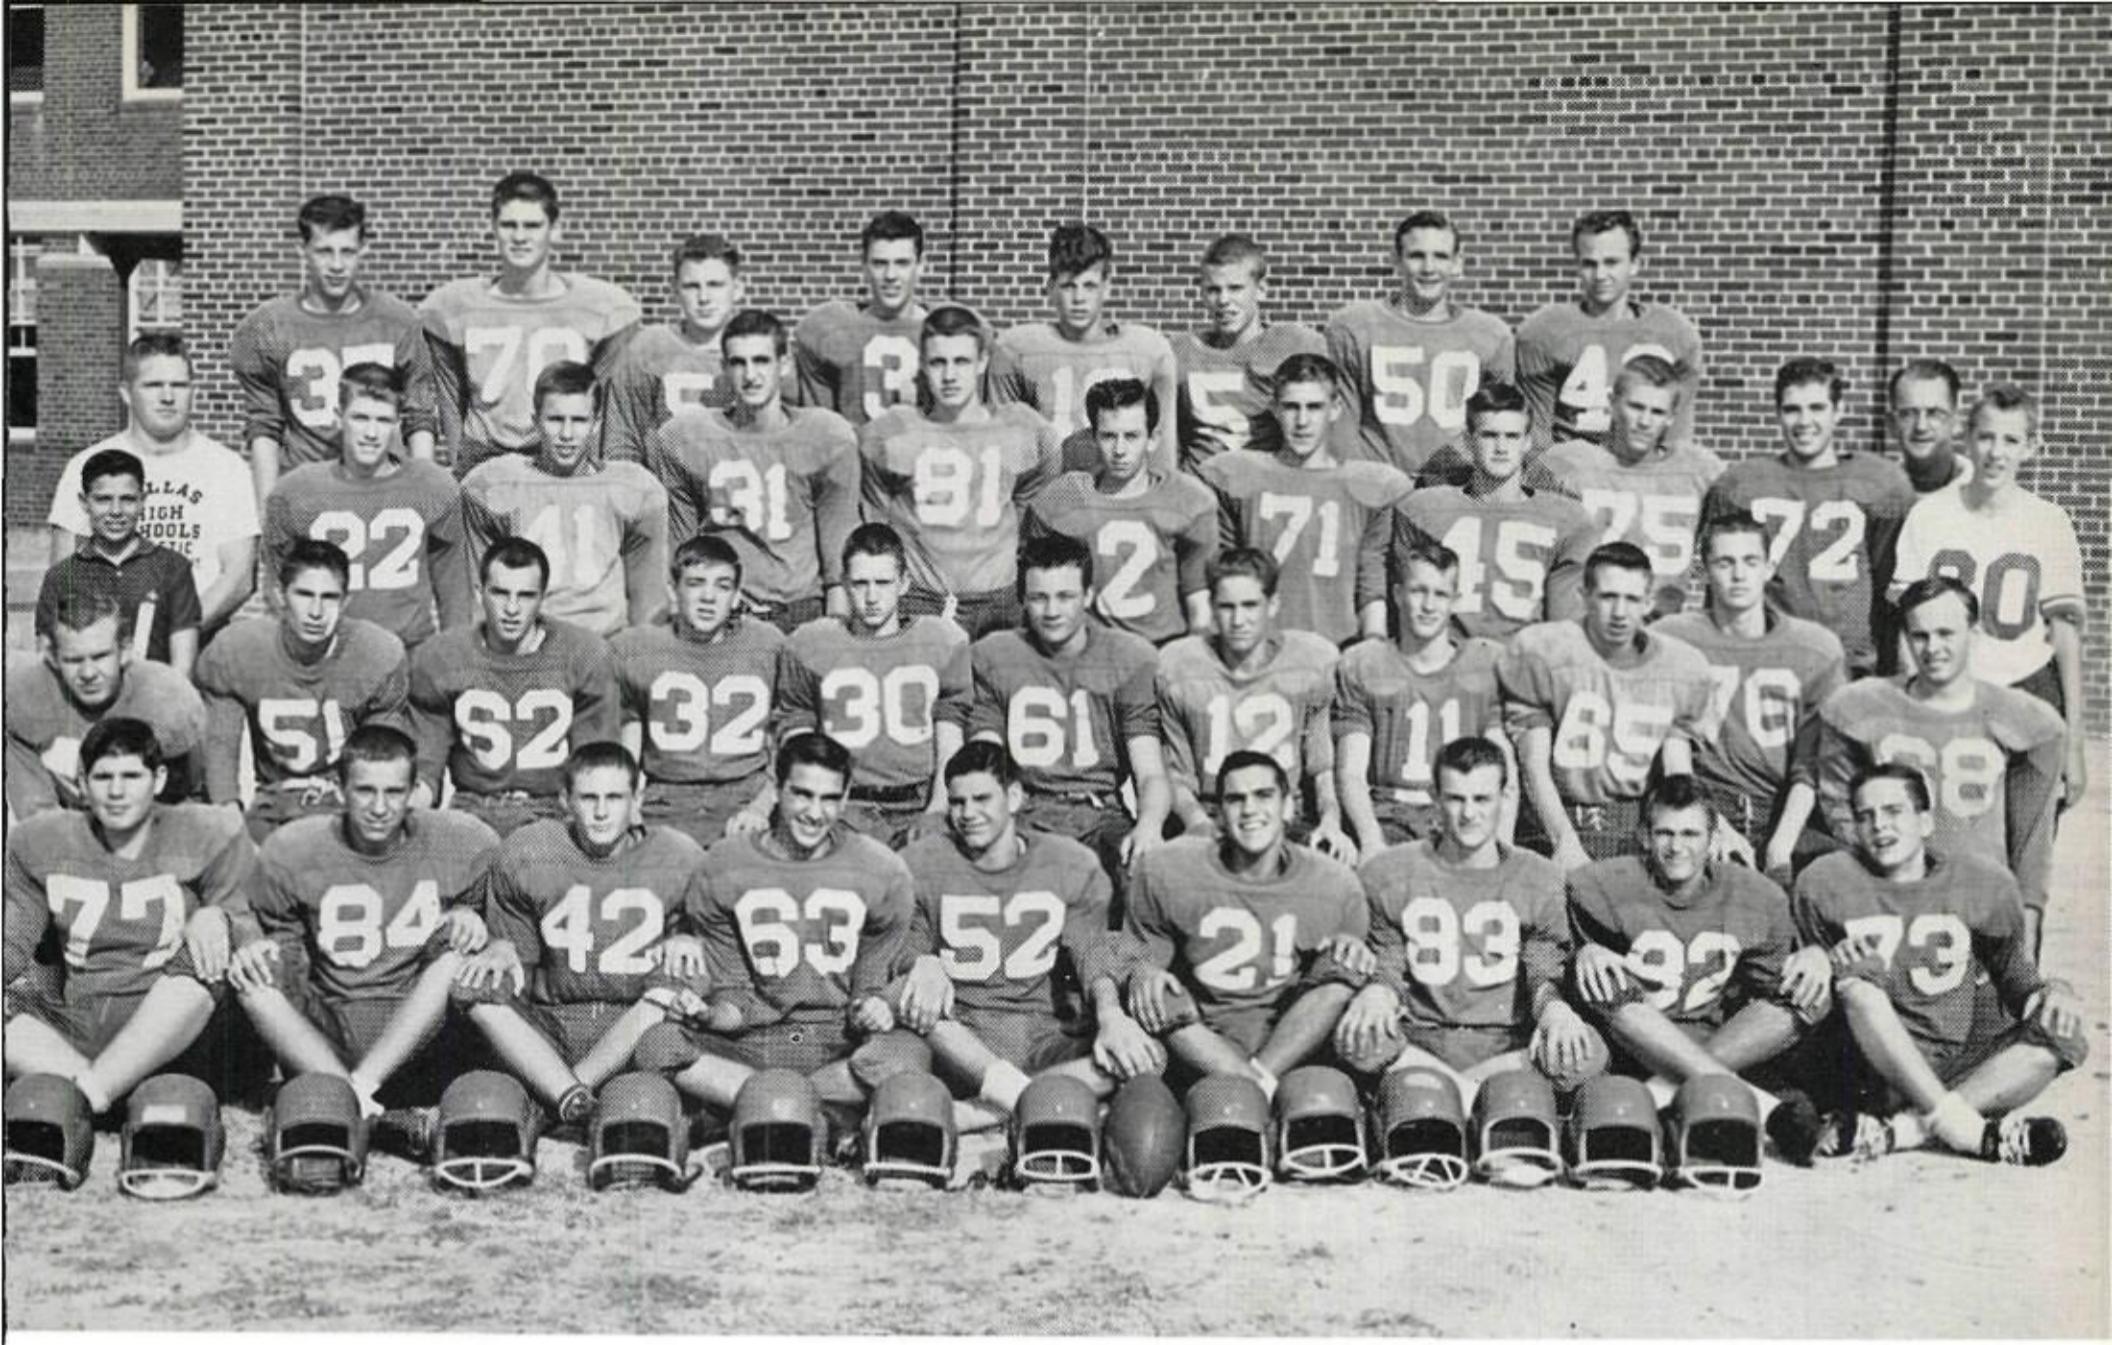

Rhome Brings Honors to Sunset

Sunset's Most Valuable Football Player for the 1959 season, as elected by his teammates, Jerry Rhome also holds the distinction of Dallas Player of the Year, and has been elected to the News' All-City, Herald's All-City, Coaches' All-City, News' All-Greater Dallas, Texas Sportswriters' All-State, All-Southern, and two All-American football teams. Not since Luther Hall has Sunset had a football player to bring such high honor to the school.

Jerry has completed 95 out of 169 passes, for a percentage of 57% completions, 19 of which were touchdown passes. Jerry ran with the ball 87 times for 377 yards, making a ground net passing and rushing yards total of 2,010 yards. Out of the 16 attempted extra points, 14 were kicked by Rhome. He also passed for 28 out of 30 extra points.

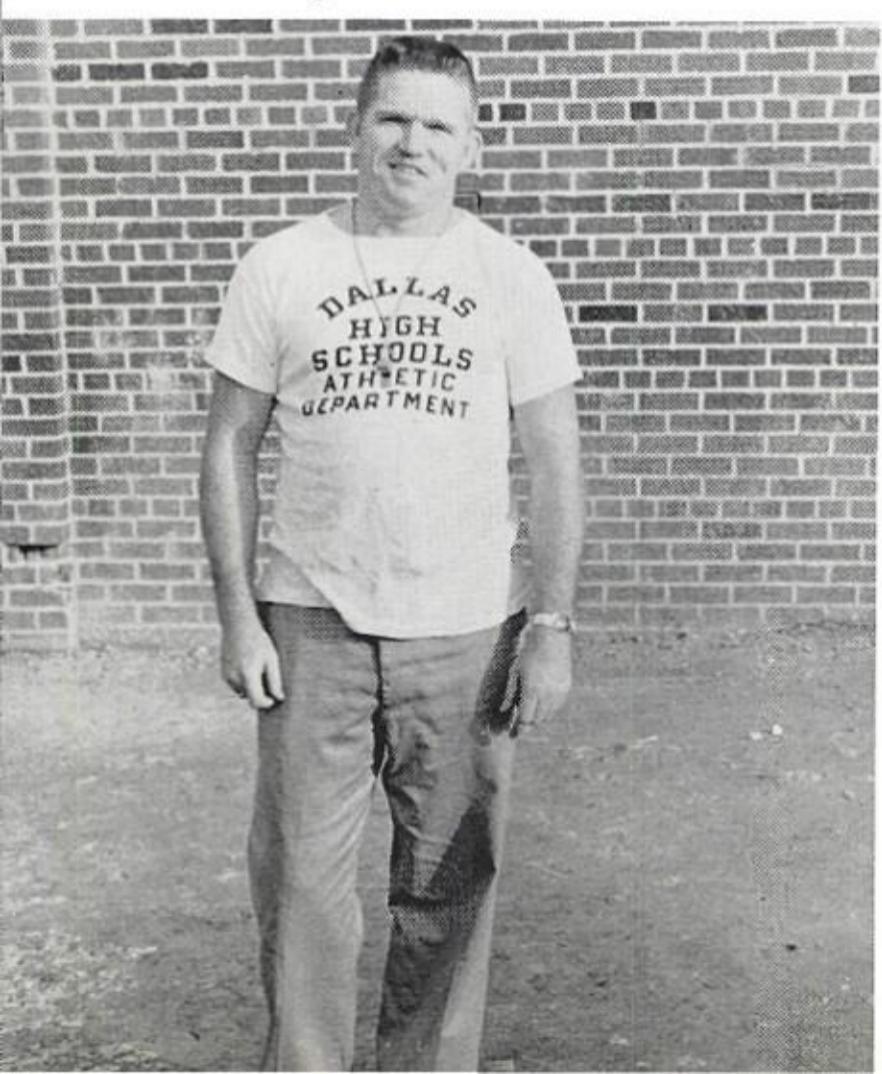

Punting 30 times, Jerry had a punting average of 30.7 yards. These statistics were compiled during the 1959 season. During the 1958 and 1959 football seasons, Jerry had 182 completions out of 329 throws, 35 of which were touchdown passes. Percentage of completions for the two seasons was 55.13%. His total net passing and rushing yards for these seasons was 3,440 yards.

Bisons Face Stiff Competition; End Season With 3-5 Record

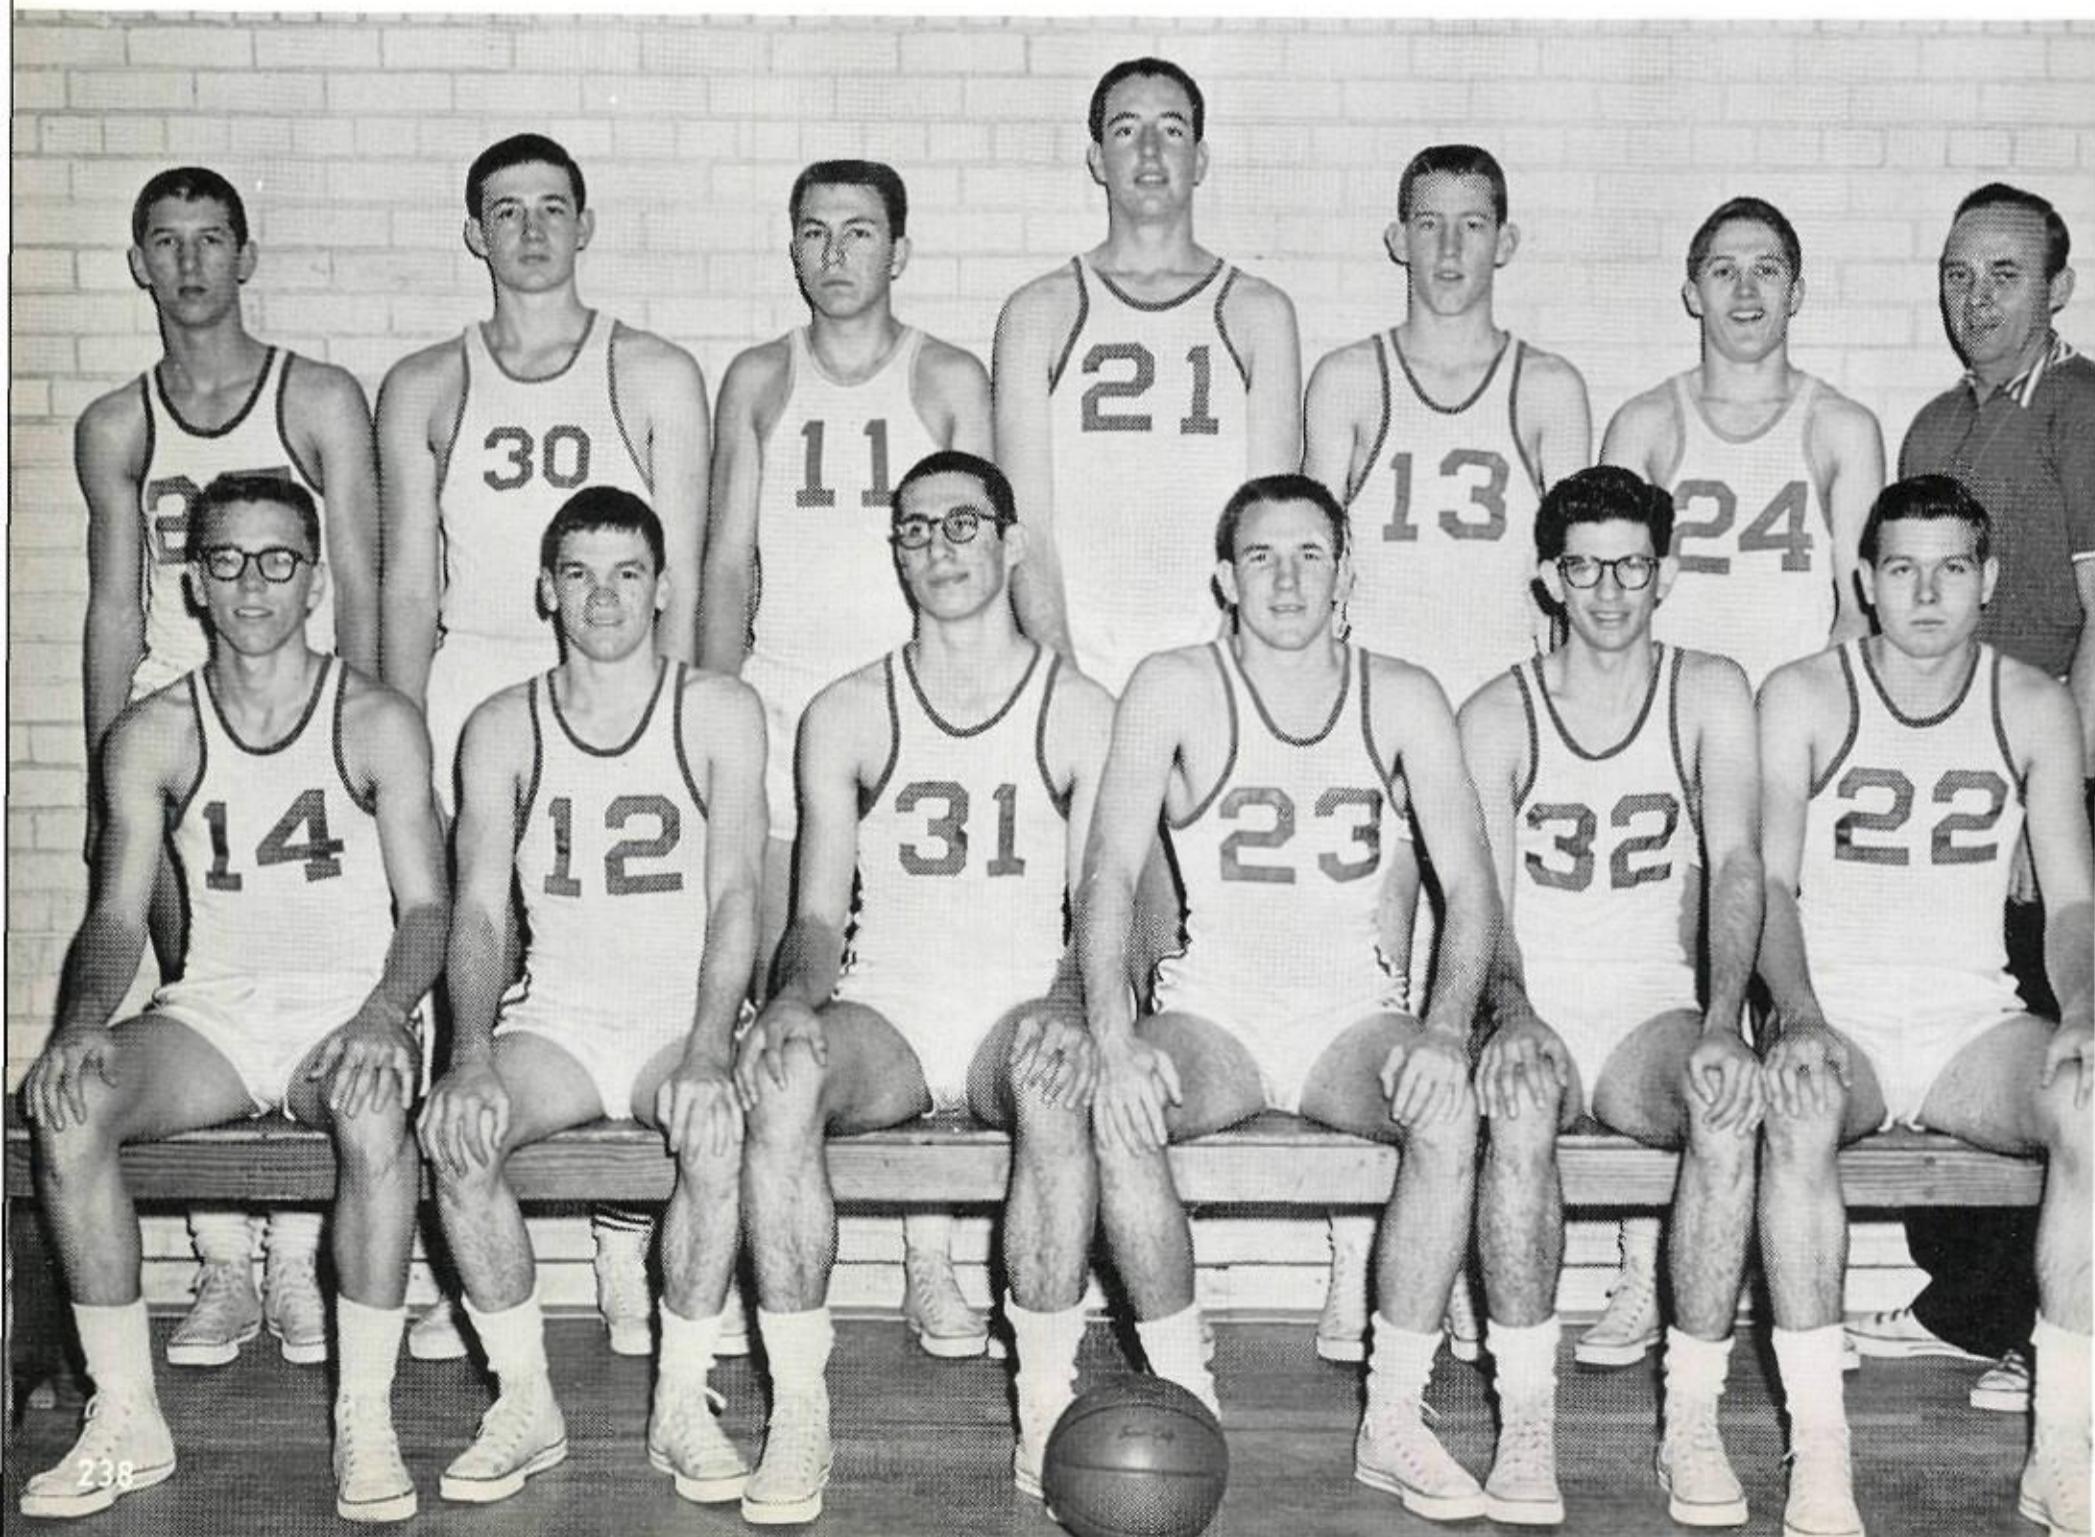

As the Old Bison drew a purple curtain on the 1959-60 basketball season, Sunsetters optimistically anticipated the future. With three returning lettermen and good prospects, the Bison Five loomed a threat to the district race, although Dallas sportscasters hadn't placed them in the role of favorite. But Sunset, playing only the bit parts, was never able to steal the spotlight. With the actors cast and the stage set, the drama began.

The first act witnessed defending champion Sunset fall to the Broncos in the semi-final round of the Bryan Invitational Tournament. The Buffs rebounded in opening the second act by capturing second place in the Irving Tournament,

losing to highly-rated Hillcrest. They reached a season's peak when they defeated strong Paschal of Fort Worth. In the following act Sunset dropped an overtime contest to Highland Park to be eliminated from the Dr Pepper Tournament.

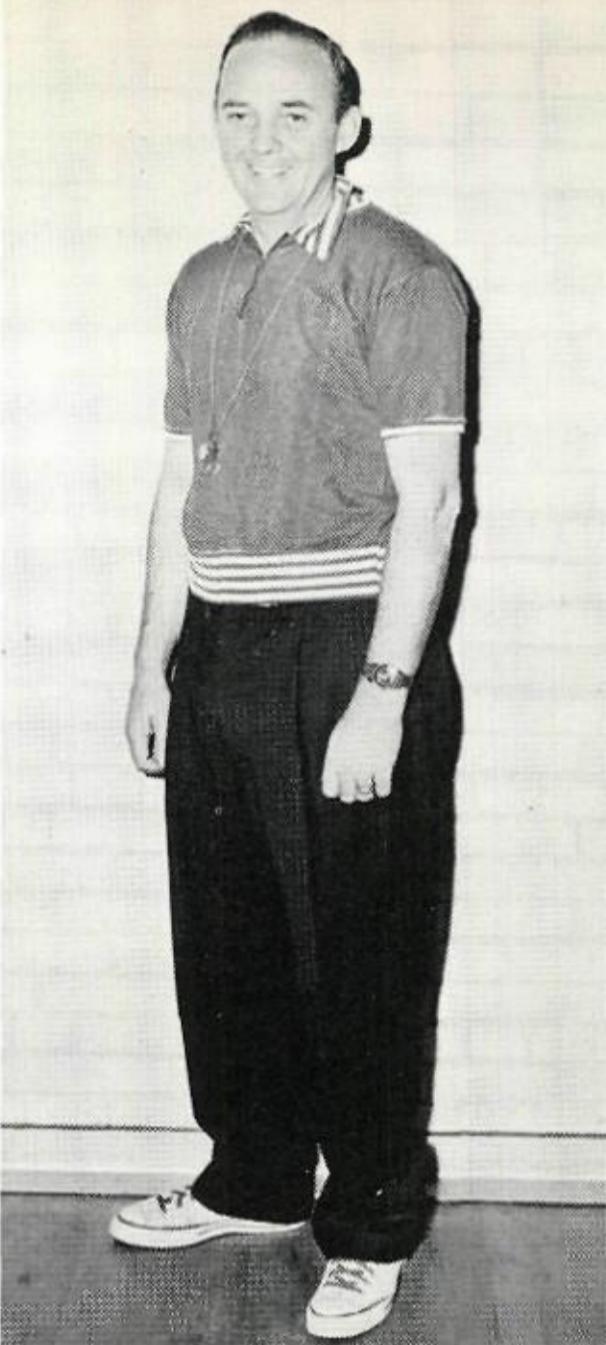

The final act began with a victory over Kimball, but the quintet lost their next three games to end the first half of district play with a 1-3 record. To open the second half, Sunset again edged the Knights. After falling to Adamson, the Purple hit their second peak of the season in slaughtering Tech. The Buff cagers lost their final contest to close the season with 10 wins, 12 losses.

Baby Bisons Close Season With 4-6 Record

The Baby Bisons rounded out the season with a four-won, six-loss record. Coach Billy Kidd's cagers won over Woodrow Wilson, Hillcrest, Crozier Tech, and Adamson.

Danny Miller and Mike Parkins tied for scoring honors for the year, with a nine-point game average. The squad will give a boost to the varsity team next year not only in height, but also in scoring potential.

Seven Lettermen Return to '60 Tennis Team

Behind every organization, no matter what it may be, is a guiding influence to drive the members on to bigger and better things. The man behind Sunset's tennis team is Mr. Elmer Knox, a devoted tennis enthusiast. Our tennis team, under his direction, has developed into a superior playing group, as is evidenced by the record it has created for itself this year.

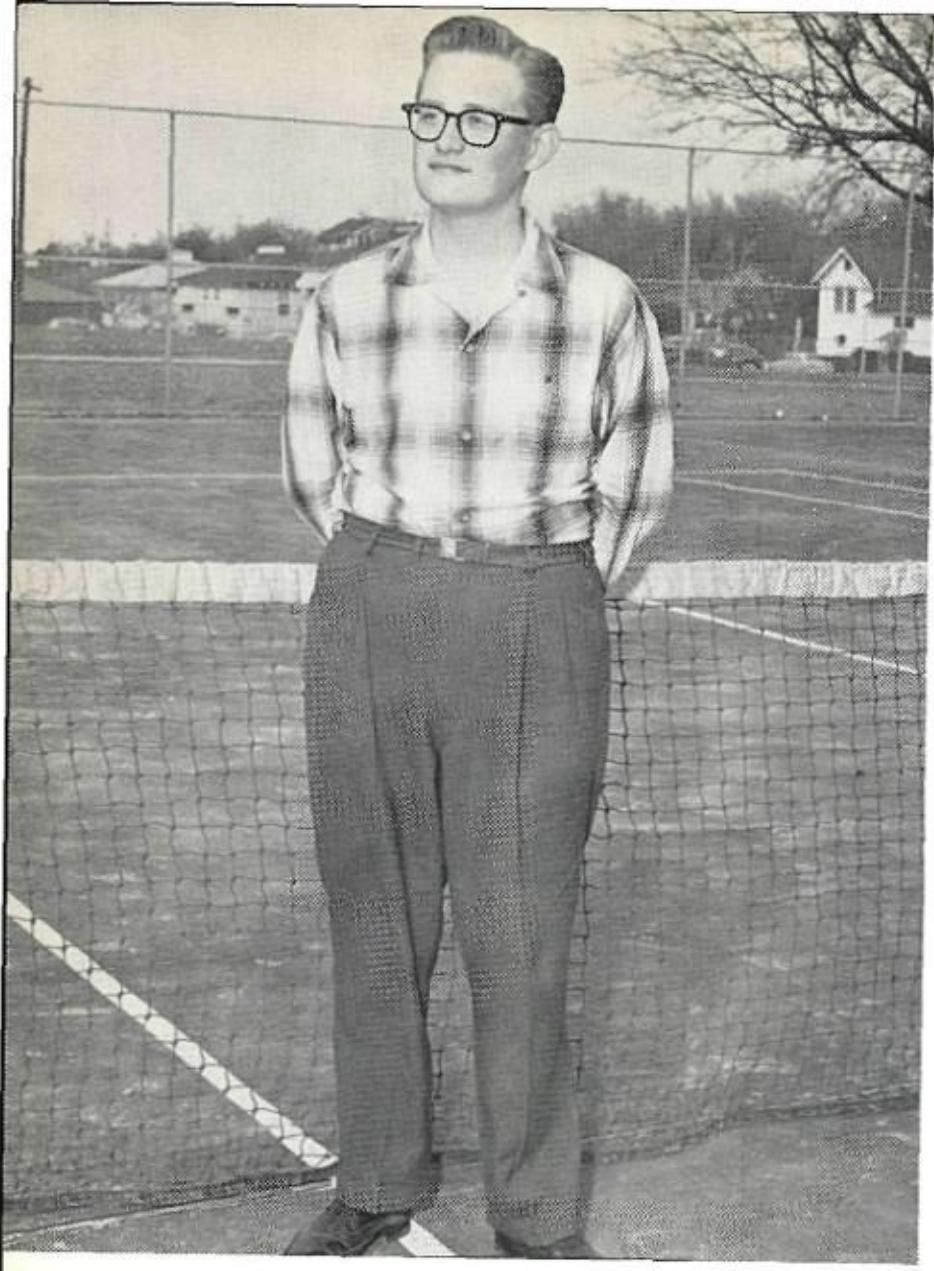

Building his campaign around the returning lettermen, Mr. Knox has produced a team of which Sunset can be justly proud. The returning lettermen are Judy Jewett, Candy Green, Bettye Henkhaus, Rex Repass, Richard Worthen, John Harvey, and Claude Prestidge.

Netters Win Top Trophies in Cotton Bowl Tournament

With seven returning lettermen leading the team, Sunset's tennis team has racked up an impressive record, both in city and tournament play.

In the Cotton Bowl Invitational Tournament the girl's team copped the championship trophy in the girl's 18-and-under class, and the combined teams captured the grand championship trophy of all inside Dallas County teams.

To date, Sunset's team has played 16 matches, winning 14 and losing 2. This record places our team in a good position in the city race.

The man behind the racket is returning letterman Rex Repass, boys' singles representative.

Candy Green, also a returning letterman, represents Sunset in girl's singles.

Richard Worthen and Claude Prestidge, both returning lettermen, play boy's doubles.

Old man winter delayed practice until early March for Sunset's baseball team.

With ten lettermen back for a second season on the team, stock in the team has been soaring.

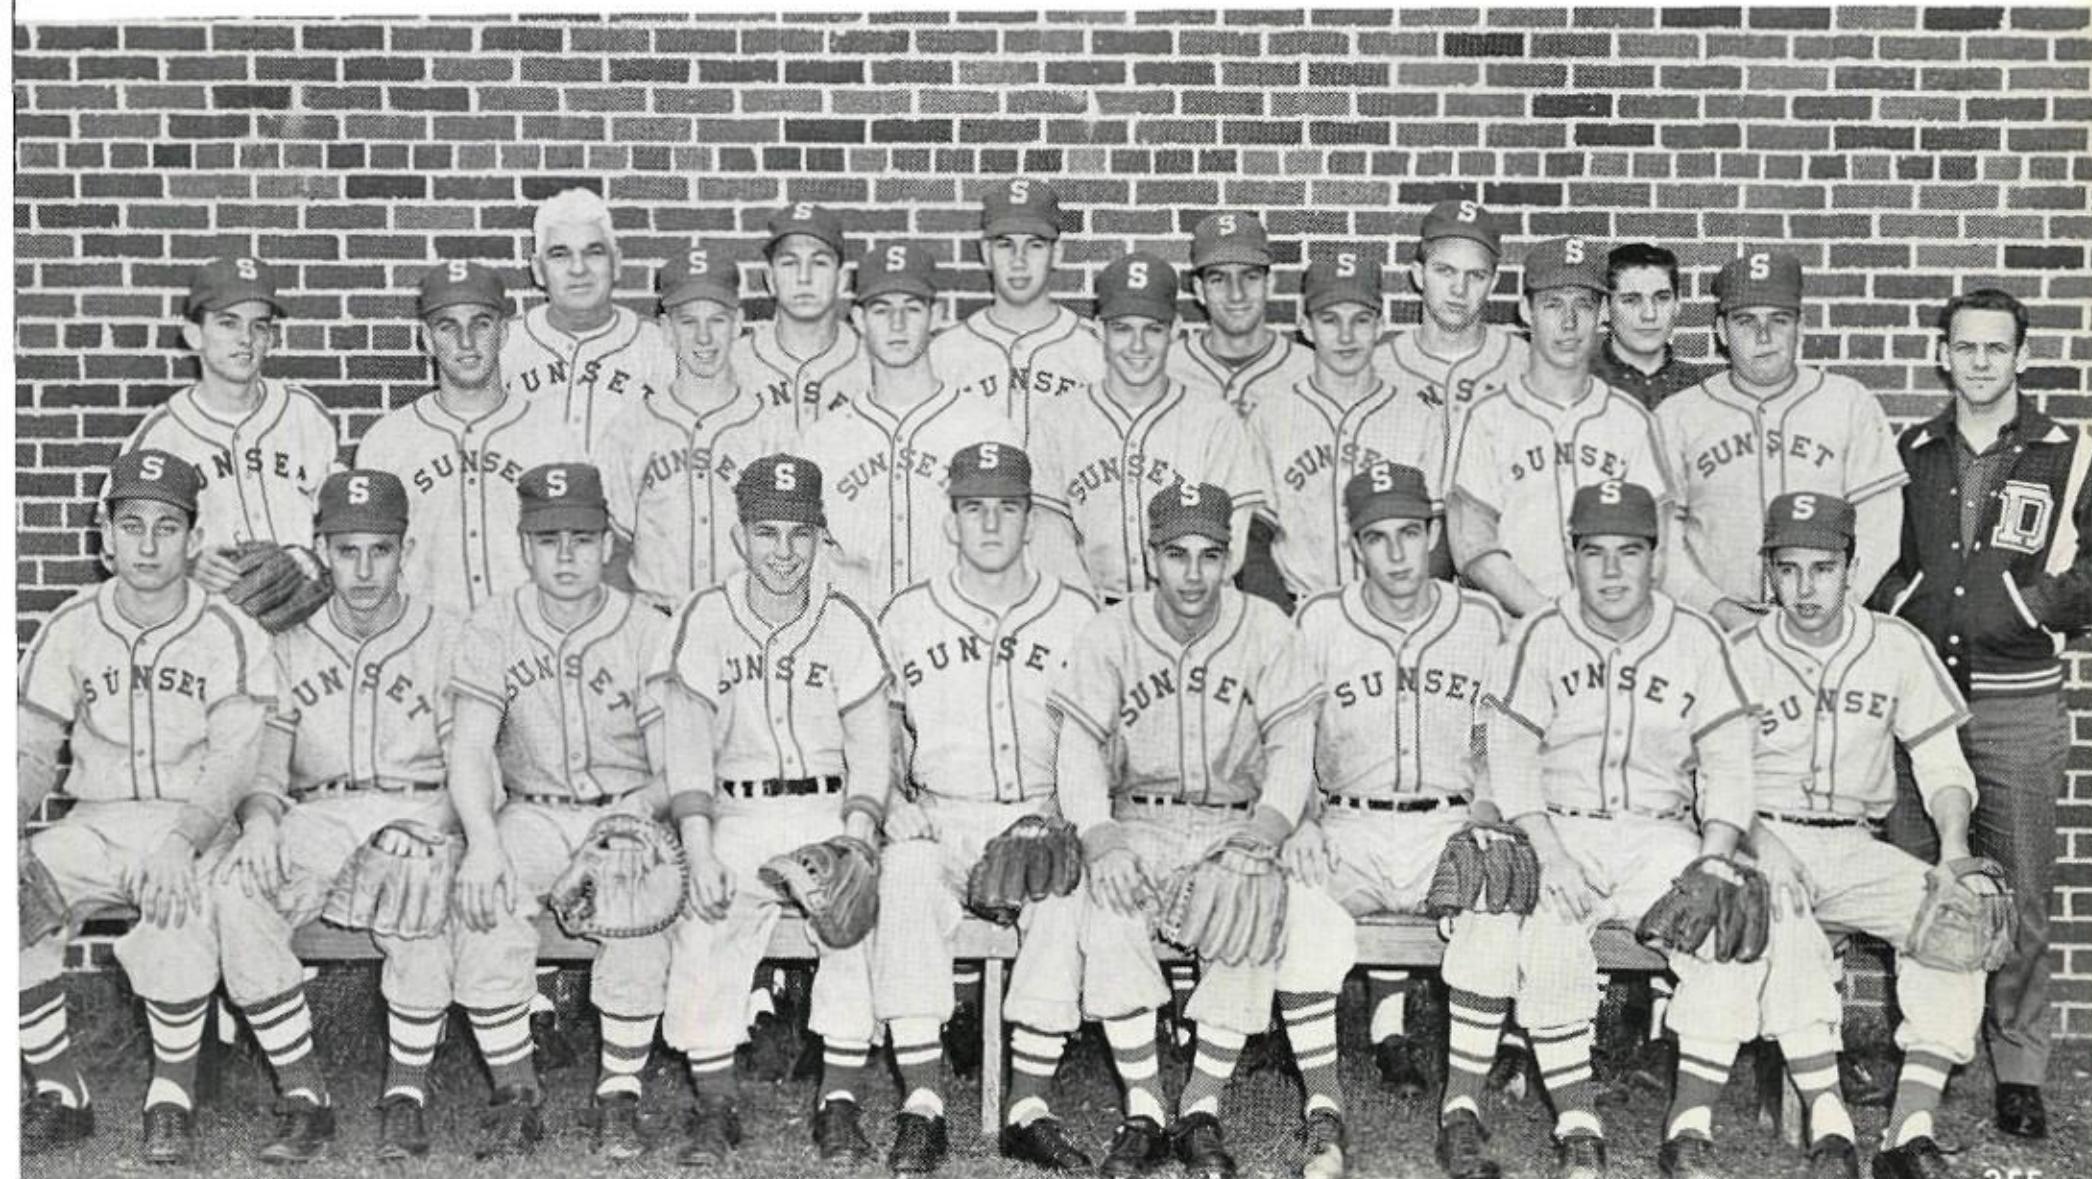

Due to our deadline, the Sundial can not report the individual Sunset games and victories.

District games scheduled for the Bisons are: Adamson, March 28; South Oak Cliff, April 4; Crozier Tech, April 8; Kimball, April 12; Adamson, April 19; South Oak Cliff, April 26; Crozier Tech, April 28, Kimball, May 2.

Many of this year's "B" baseball team members will be the backbone of next year's "A" team. Under the training of Coach Roten, the team played games against Samuels, Kimball, North Dallas, Richardson, Jesuit, and Grand Prairie throughout the season.

Practice for the "B" team got off to a slow start this year as winter weather stayed around several additional weeks.

A BUSINESS CREED

Today is MY DAY. The most important day of my life. The only day I have. I intend to live up to every minute of it looking for excitement, fun, and opportunity.

I want no part of security. I prefer to take the calculated risk; to dream and to build. Build fast! Build sure! I am jealous of my American right to fail or succeed. I want the thrill of accomplishment and prefer the constant challenge of life to existence with a guarantee.

I believe it is my privilege and my destiny to plan and act for myself. To enjoy the rewards and results of my efforts. To stand before my fellow man and say: "This I have done. I am not ashamed." And should I fail there will be no complaining. I've done the best I can.

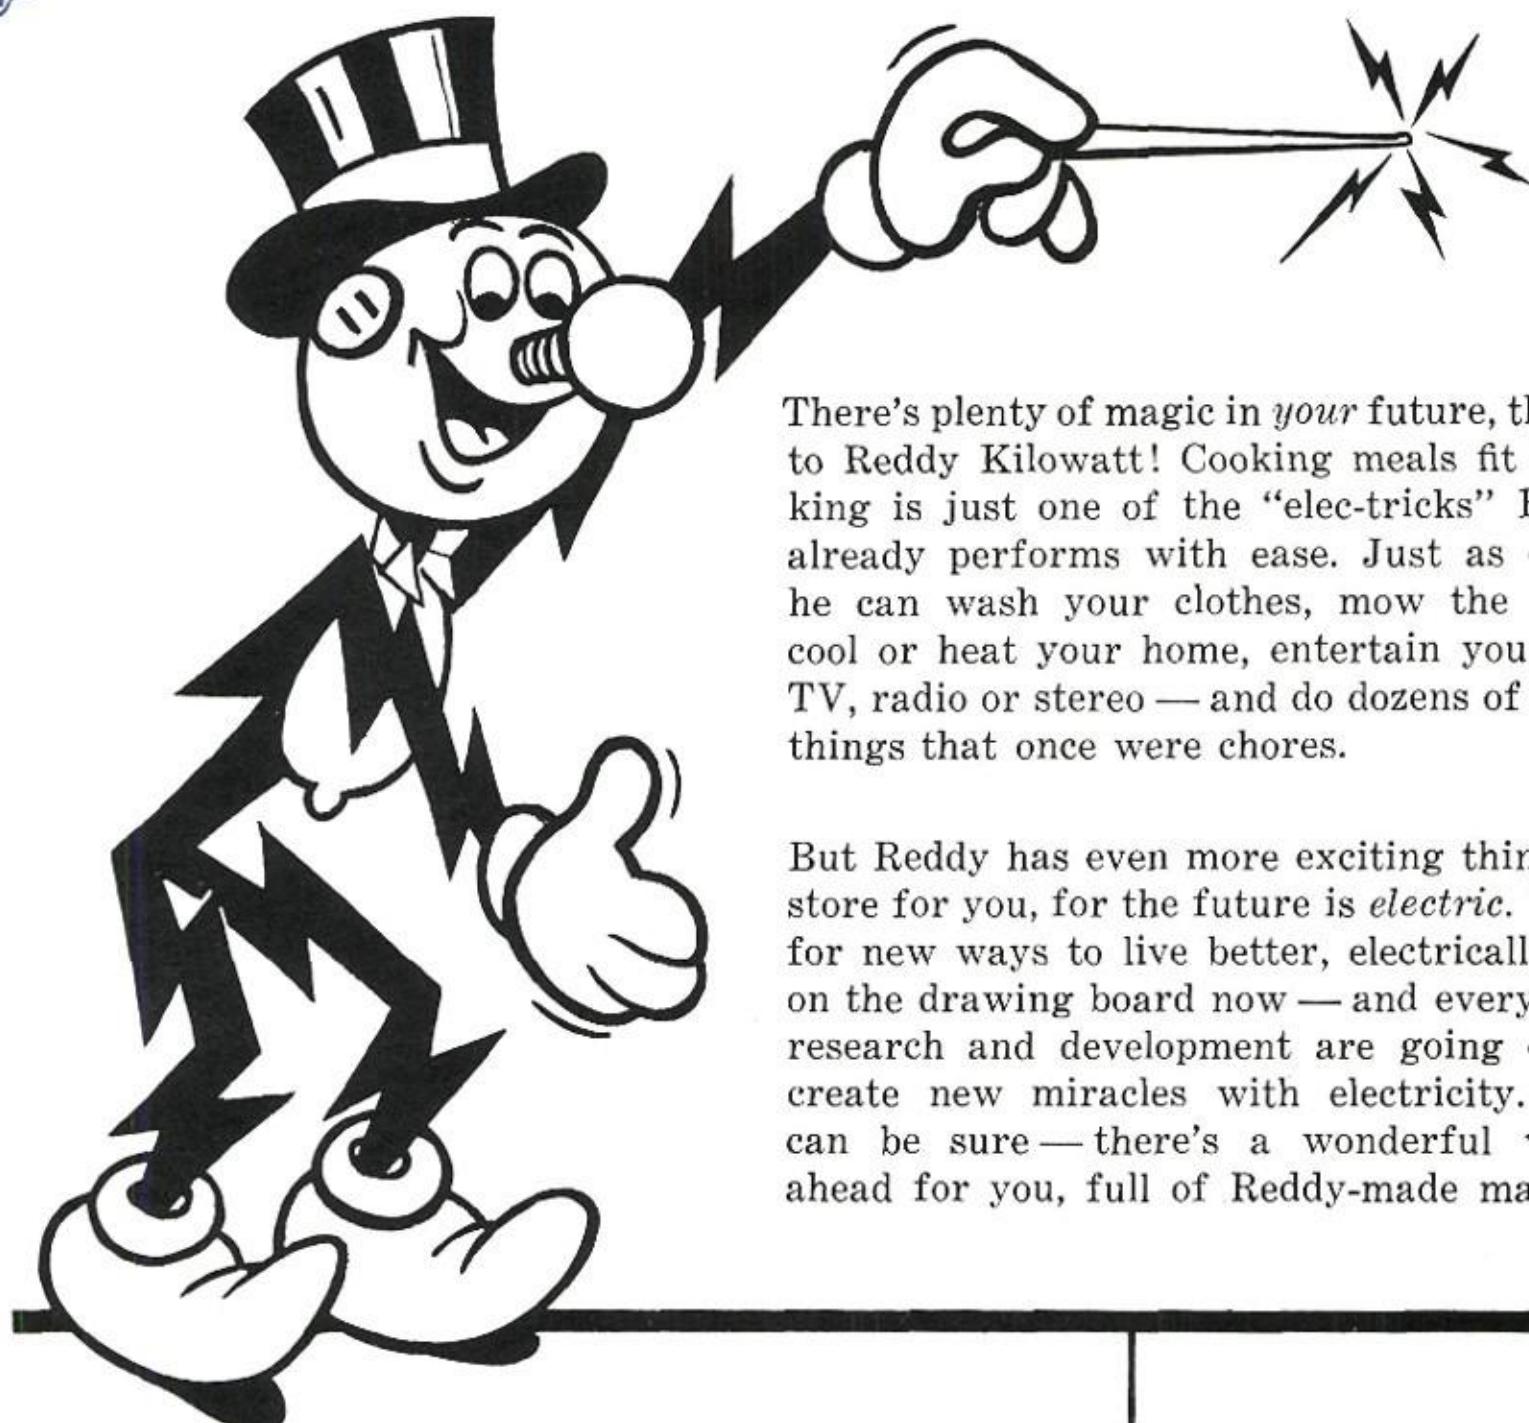

I further believe in the dignity and integrity of my fellow man. I believe in team play and fair play. In treating the other fellow as I would like to be treated myself.

Let me dedicate my day to being of service to others. Contributing a bit more than my fair share to their happiness and success. I want no dollars at the expense of integrity. Not a dime at the expense of the other fellow. I know that reward follows accomplishment; income follows service.

I intend to do my best today. I'll not worry about yesterday's mistakes nor contemplate tomorrow's troubles. Today's the day—with God's help.

See,
Mail your life
be filled with every
happiness there is. Good
luck always. Love ya,
Buckie

REDDY-MADE MAGIC FOR YOUR FUTURE

There's plenty of magic in *your* future, thanks to Reddy Kilowatt! Cooking meals fit for a king is just one of the "elec-tricks" Reddy already performs with ease. Just as easily he can wash your clothes, mow the lawn, cool or heat your home, entertain you with TV, radio or stereo — and do dozens of other things that once were chores.

But Reddy has even more exciting things in store for you, for the future is *electric*. Plans for new ways to live better, electrically are on the drawing board now — and every day, research and development are going on to create new miracles with electricity. You can be sure — there's a wonderful world ahead for you, full of Reddy-made magic!

Remember, the next time you want a picture "Call-um Collum"

MISS CINDY POINDEXTER

Because of my low overhead, I can afford to give you portraits such as these at savings of over 50% of what they would cost you at a studio. The pictures are on regular portrait (matt) paper, and you can have them black and white, toned, or tinted.

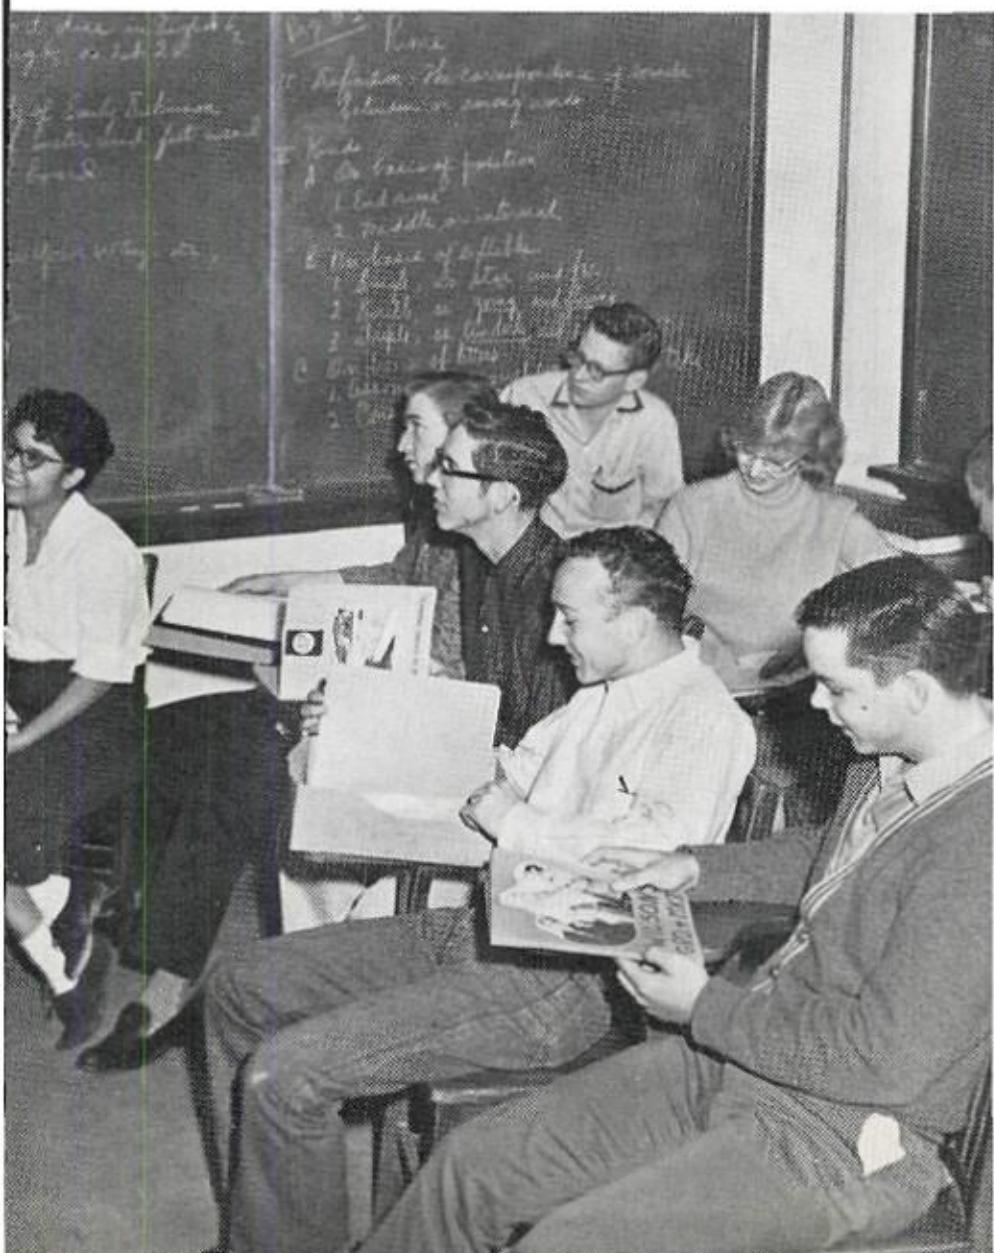

MISS BUCKIE BOWIE

Free Money!!! Call and Get it!!!

For anyone who can get me a job of taking pictures I will give 15% of all the money that I take in on that job. For example if you are in a choir, the next time you want a group picture have them call me. Suppose I sell 100 pictures at \$1.00. You will receive \$15.00.

Sue,

I have really enjoyed knowing you and
going around with you. We have had fun together
and I hope we do all summer and next year.
Always stay as you are because you do have a
great personality even when you are acting with
something. Ha! Love ya!
